INTRODUCTION

In accordance with the provisions of Chapter 40, Section 49, of the General Laws of Massachusetts, the Milford Board of Selectmen is required to publish an Annual Report.

Certain information must be included, such as reports of the School Committee, Town Accountant and Town Treasurer. Beyond that which is mandated, however, the Board's objective is to provide within this report information of interest and practical value to you, the residents of the Town of Milford.

Departmental narratives contained on the following pages will provide an overview of activities and accomplishments during calendar and fiscal 1989. Election results and summaries of Town Meeting actions are provided for informational purposes. The names of elected and appointed municipal officials, and board and committee members, plus a municipal telephone directory, are also included so that you will know whom to contact for the various services you require. A map of Milford identifies the locations of municipal buildings, schools and hospitals.

The Board is hopeful that it has been successful in providing a valuable resource to Milford's residents through the publication of this Annual Report, and seeks to improve both format and content to make this Report more responsive to your needs. You may contact the Selectmen's office with your suggestions for such improvements. Be assured that your input will receive serious consideration.

Since 1973, Annual Reports have been published on a fiscal year basis. The 1990 Annual Report will return to the original calendar year format, in order to conform to the requirements of Massachusetts General Laws. This year's report is a transitional report, from July, 1988, through December 31, 1989, thereby encompassing both Calendar and Fiscal Year 1989.

The Annual Report is printed professionally. Contracts for printing are awarded through the established bid process. The cost of printing last year's (FY88) 191 page report was \$5350 for 1500 softcover and 20 hardbound reports.

The cover of this 1989 Annual Town Report features the Milford Fire Station and Training Center, which was authorized by vote of the Town Meeting of March 13, 1989. The Station, located on Birch Street, off of Route 109 in the eastern section of Milford, is currently under construction and is scheduled to open in late 1990.

BOARD OF SELECTMEN

The Office of the Milford Board of Selectmen is located in Room 11 of Milford Town Hall, 52 Main St., Milford. Residents may contact the office by dialing 634-2303. Office hours are 8:30 am to 5:00 pm, Monday through Friday.

The Board meets Monday evenings at 7:00 pm in Room 03 of Milford Town Hall; these meetings are televised over the local cable network. Special meetings are convened as necessary. A formal record of these meetings (*The Minutes*) is available for viewing.

The Board is the local licensing commission for alcoholic beverages sales and consumption, restaurants, boarding houses, entertainment and amusements, new and used motor vehicle sales and services, parades, movie theaters, taxis and limousines, tag days and yard sales, plus others. License/permit fees, which are deposited to the Town's General Fund, generated \$77,874 in revenues during fiscal 1989.

Parking fines may also be paid at the Selectmen's Office. "Over the counter" collections for both on-street and municipal parking lot meters totaled \$47,245 and \$15,991 respectively during fiscal 1989.

The Board is committed to a philosophy of recruiting and retaining qualified professionals to administer the department under its jurisdiction. Recent additions to the management ranks include Alan Green, appointed as Assistant Zoning Enforcement Officer in November, 1988, and James Negri, appointed to the position of Dog Control Officer/Administrator in May of 1989.

The Selectmen's Office continues to coordinate cost-effective inter-departmental purchasing activities, including fuel oil, office supplies and equipment. Recognizing that the limited data processing facilities at Town Hall are inadequate to

meet current and future reporting and data generation requirements, the Selectmen advocate upgrading to a more comprehensive system which will link all financial offices at Town Hall. The Board will address this proposal at a 1990 Town Meeting. Utilizing in-house staff, the Selectmen have established a central personnel unit within the Office of the Town Accountant, to provide needed centralization, accountability and control of personnel management. Through the efforts of the Planning/Engineering Department and the support of the Selectmen, the Town of Milford has continued to capture available grant funds for projects addressing downtown revitalization and Louisa Lake improvements. Local funding continues to support infrastructure projects such as a signalized pedestrian crossing on East Main St. and school crossing signalization at No. Vine St.'s Woodland School.

The Board of Selectmen continues to investigate methods to maximize revenue generation. All license/permit fees were increased in January, 1989, resulting in an increase in FY89 of 19% over FY88 collections. A hotel/motel local excise tax, adopted by Town Meeting in 1988, will increase to 4% as of January 1991. This tax is assessed to room rates of hotels and motels operating in Milford.

The Selectmen continue to contract for Workers' Compensation coverage through the Mass. Inter-local Insurance Agency, a risk-retention pool of municipalities, at reduced rates. In July, 1989, the medical/dental insurance contract with Prudential Insurance expired; the Selectmen carefully weighed elements of cost vs. benefit before contracting with Blue Cross/Shield for its Master Health Plus plan. The Fallon Community Health Plan remains as an option for employees who prefer an HMO plan.

In the year ahead, the Selectmen will be involved in many financial and capital projects. Major

electrical improvements at the Milford Police Station, currently in the design stage, should be completed by year end. The Soldiers' Memorial project is moving forward under the direction of a reorganized War Memorial Commission. A design competition is currently underway, with exhibition, selection and Town Meeting approval scheduled for early 1990, and construction completion by year end. Leveling off of local growth, reductions in local revenues and uncertainties as to continued levels of local aid from the State continue to be joint priorities of the Selectmen, Finance Committee and Capital Planning Committee as they address the Town's Fiscal 1991 budgetary needs.

The Selectmen look forward to these challenges, and urge citizens to take an active role in the continued development of our community. You are encouraged to share your experience and expertise so that the Town of Milford may continue to grow and prosper.

BOARD OF ASSESSORS

Milford was certified by the Department of Revenue for a revaluation update as mandated by the

State Law in September of 1988 for the Fiscal Year 1989. The total valuation of the Town was \$1,526,464,815, representing approximately 8700 parcels. Most recently Tax Bills for Fiscal Year 1990 were sent out and the valuation for this year is \$1,560,653,550. Currently the Tax Rate for residential property is at \$9.17 per thousand and the commercial, industrial and personal property rate is \$15.92 per thousand.

The Board of Assessors extends its appreciation to Assistant Asses-

sor Rita Abbondanza, Barbara McDonnell and Patsy Heath for the dedicated and professional manner in which they conducted and supported the daily operation of the Assessors Office.

Finally, a special thanks to all the Town Officials and their staff who supported the Assessors in their duties.

Respectfully submitted,
Joseph E. Capuzziello, Jr. Chairman

CAPITAL PLANNING COMMITTEE

The Capital Planning Committee meets on a scheduled basis to re-review, prioritize and recommend to Town Meeting on capital expenditures in excess of \$10,000.

The Capital Planning Committee is currently working on the development of a Capital Improvement Plan to insure that funds reserved in the future for capital expenditures are allocated in an effective manner.

CONSERVATION COMMISSION

The Milford Conservation Commission is responsible for administering the provisions of the Wetlands Protection Act, Chapter 131, Section 40 of the Massachusetts General Laws.

THE COUNCIL ON AGING

The Milford Council on Aging consists of a fifteen-member Board of Directors appointed by the Board of Selectmen. The purpose of the Council on Aging is to provide services and programs which promote the welfare of the estimated 4,300 elderly residents of Milford. All residents of Milford age 60 and over and disabled residents, regardless of age, are eligible for these services and programs. The Council on Aging conducts a monthly meeting at 10:00 a.m. on the second Tuesday of each month at the Senior Center. These meetings are open to the public and residents are invited to have their concerns placed on the agenda for these meetings.

The Council on Aging advocates for elderly issues by keeping close contact with our legislators and by

active participation in the elder network of organizations such as the Blackstone Valley Consortium, the Massachusetts Association of Councils on Aging and Senior Center Directors, the Central Eastern Massachusetts Association of Councils on Aging, the Massachusetts Association of Older Americans, the Region II Area Agency on Aging Sub-Advisory Committee and the Visiting Nurse Association Alzheimer's Connection.

The Council on Aging is the governing body of the Milford Senior Center which is located at 15 Winter Street (473-8334). The business office of the Senior Center receives an average of 500 incoming calls per month from seniors requesting services and information. The center is open Monday through Saturday from 9:00 a.m. to 5:00 p.m.; on Tuesday evenings from 5:00 p.m. to 9:00 p.m. and on Sundays from 1:00 p.m. to 5:00 p.m.

Senior Center Director Ruth Anne Bleakney, began her duties in January of 1989. She is assisted by a nine-member staff: Van drivers Alfred Barry, William Miller and Arthur Erickson; Evening/Weekend Supervisors Marge Macklow and Arthur Robertson; Outreach Coordinator Marie Stapleton; Center Receptionist Frances Hachey; Shopping Bus Coordinator Fran Pasacane and Volunteer Secretary Beverly Frazer. These positions are funded by the Town of Milford, the Green Thumb Program (federal program), the Vista Program (federal program sponsored by the Massachusetts Association of Older Americans) and the Massachusetts Executive Office of Elder Affairs.

The Senior Center offers many services and programs to enrich the lives of the older residents of the community. Recreational activities include line dancing, quilting and craft classes, knitting group, Whist and Cribbage Leagues, day trips and parties to celebrate every occasion. Realizing that weekends can be very lonely for elders living alone,

the council began sponsoring monthly Sunday Socials in October of 1989 and they have been very well received. Guest speakers are engaged to provide information on a wide range of elderly issues. The Visiting Nurse Association offers quarterly health screening clinics at the center and an annual flu shot clinic. There is also an annual eye screening clinic and a monthly Podiatry Clinic.

Probably the most vital of the services offered is the van transportation. The Council of Aging van is available to all elderly and/or disabled of Milford who have no other means of transportation. The van is presently utilized to the maximum with an average of 600 trips per month to medical appointments, recreational activities and errands necessary to the activities of daily living. A 25¢ donation per way is requested for use of the van. In March of 1989 the Senior Center obtained a second van through Trip, Inc. which was funded by a grant from the Executive Office of Elder Affairs. Plans are currently in process to provide additional van hours using both Council on Aging vehicles. These additional hours will also be funded through the Executive Office of Elder Affairs. In addition to van transportation, the Senior Center also provides a weekly bus trip for grocery shopping with a \$1 requested donation.

The Elder Milfordian News is a free monthly publication of the Council on Aging. This newsletter provides important information on elderly related issues and activities and programs at the Senior Center.

The Tri-Valley Nutrition Program operates 5 days a week (Monday through Friday) from the Senior Center and provides an estimated 26,000 meals per year to the elderly. Seniors may come to the meal site to receive a hot, nutritious meal and socialize with friends or they may have a meal delivered to their home. A 24-hour advance reservation is required for

advance reservation is required for the meal and a donation of \$1.50 is requested. This program operates mainly through the efforts of dedicated volunteers who are coordinated by Meal Site Manager Lucille DePaolo.

The Council on Aging conducts a quarterly Surplus Food Distribution at the First United Methodist Church on Exchange Street. Commodities are distributed to eligible persons of all ages.

The Senior Center is pleased to have the participation of the elderly Portuguese community. Funded by a grant from the Gateway Cities Program, Maria Valenca coordinates activities and interprets for the group who come to the center every Monday and Friday.

The major accomplishment for the Senior Center this year was the opening of the Outreach Office in June of 1989. This office is coordinated by Vista Volunteer Marie Stapleton. This office provides assistance, information and referral for SSI, Social Security, Medicare, Medicaid, Medex, long-term care placement, Elder Homestead application, fuel assistance applications, legal services, home care, Alzheimer's Alert and any problem which may be of concern to an elderly person. Seniors may also obtain their Senior I.D. cards and ComGas discount application through this office. The Outreach Program is still in its infancy and plans are being made to offer new services such as a friendly visitor program and telephone reassurance program.

The elderly population is the fastest growing segment of the population and this growth is expected to continue throughout the new decade. The Council on Aging and the Senior Center staff are working and planning together to meet the ever-increasing needs of the elderly community.

Respectfully submitted,
Ruth Anne Bleakney
Senior Center Director

OFFICE OF FAIR HOUSING

The Town of Milford, through its Board of Selectmen, has approved and continues to support a Fair Housing Action Plan in compliance with guidelines promulgated by the Massachusetts Commission Against Discrimination and in conformance with all Federal laws relevant to the provision of equal choice and housing for all individuals.

The Plan is a public document, and available for inspection in the Selectmen's Office. The Plan has been implemented through the efforts of the Fair Housing Committee with representation from the Planning Board, the Housing Authority and the community-at-large. This committee is charged with and continues to develop a bilingual outreach program to disseminate information, the review of actions of community boards and agencies pertaining to housing, the pursuit of sources of funding for the support of fair housing activities, and the resolution of complaints concerning alleged discrimination in housing through its multi-lingual Complaint Intake Program.

The Fair Housing Committee continues to work with Town and State officials to make it possible to produce new housing that will be consistent with the character of the community and affordable. The Town of Milford received official approval as an Equitable Housing Community on May 1, 1987.

FINANCE COMMITTEE

The Finance Committee is a 15 member board appointed by the Selectmen. The committee derives its authority from Town By-Law as well as the General Laws of Massachusetts. The primary role of the committee is to prepare and recommend an annual budget for town meeting review and approval. In addition, the committee makes recommendations to town meeting on all financial issues. The committee's duties also include analysis, forecasting, preparation and on-going auditing of all financial matters concerning the town.

In fiscal year 1989 the Finance Committee oversaw the administration of a 29.4 million dollar budget. For fiscal year 1990, town meeting approved a budget of 31.0 million dollars.

As we look ahead, a number of financial issues confront our committee and will have a significant impact on all taxpayers over the next several years. The erosion of state aid has placed a strain in the town's ability to provide services. The escalating costs of insurance, health care, special education and trash disposal cannot be ignored and contribute to the strain on maintaining our services.

In light of these constraints, we must continue to exercise prudent spending habits and objective management of our funds in order to maximize the services we can provide the taxpayers.

Continued communication to all residents, particularly our town meeting members, regarding the town's financial status is important as we move forward. In this regard, the Finance Committee will continue their series of informational meetings prior to the Annual Town Meeting. These meetings, open to the public, were intended to increase the awareness of all taxpayers and their representative town meeting members. The results have been excellent. An expansion of this program will be conducted.

In an attempt to closely control expenditures and maintain existing services, a new budget process was undertaken this year. This process examines the impact on services at a variety of budget levels. This is the first step in implementing a zero base budget approach. The process will also allow us to respond to diminishing revenue levels with a minimum impact on services.

The Finance Committee has taken a leadership role and embarked upon the development of a five year plan which will establish long range projections, goals, and objectives for the Town of Milford. A long range comprehensive plan to identify and manage the capital needs of the community must be a priority item in this plan.

The Town of Milford has done well in meeting the challenges of Proposition 2½. We have effectively

managed within its restraints. Our diligence must continue. The financial issues confronting us today present as significant a challenge to the town as did the implementation of Proposition 2½. I am confident that we will manage through these issues because of the diligence of Milford's financial officers and employees, the cooperative spirit of all departments, the dedication of our elected and appointed officials and the support of an informed public.

In closing, I would like to express my sincere thanks to all department heads for their support and cooperation. A special thanks to the Town Accountant, the Executive Secretary, our past Finance Committee Chairman and the Finance Committee Secretary for their advice and assistance through my past first year as Chairman.

Finally, a most important thank you to the members of the Finance Committee for their dedication, effort and help this past year.

Respectfully submitted,
John A. Sammarco
Chairman

**FIRE
DEPARTMENT**

The Milford Fire Department consists of the Fire Chief, (1) Deputy Chief, (5) Lieutenants, (31) Firefighters, (4) Call Captains, (21) Call Firefighters and (1) Confidential Clerk.

During the Fiscal Year of 1988/1989 the Milford Fire Department responded to 2,161 calls and issued 1,431 permits (see Breakdown).

Due to the Fiscal situation which now exists in the Town of Milford, the number of firefighters on the Milford Fire Department has decreased during the year 88/89 from Fiscal Year 87/88 (35) to the present level (31). The four non-funded positions, which is a 11.4% decrease in our fighting forces, was accomplished by attrition and not

direct lay-off with the openings left by the retirement of Charles Bishop and Achille Diotalevi and resignation of Patrick Lapan and Jeffrey Niro.

Construction of the Birch Street Fire Station/Training Site is proceeding with an expected occupancy in late 1990 with a cost estimate of approximately Three Million Dollars. This will be a state of the art station which should be sufficient for the protection of the East end of Town well into the 21st Century.

The loss of personnel will place this department in the precarious position of having to, when the Birch Street Fire Station is occupied, close a station from time to time, when manning levels fall below the number required to man a third station.

A 1989 Pierce Rescue/Pumper has been accepted by this department and was delivered by Blanchard Fire Apparatus of Hopkinton. This vehicle is now in service and operating from the South Main Street Station. But when the Birch Street Station is activated, it will respond to Fire and Medical calls in the East end of town.

The Department also took delivery of a 1989 Reach-All (32') Bucket Truck for use of the Fire Alarm Division in repairing and extending Fire Alarm Lines in the Town which is getting quite extensive due to increased construction of commercial and industrial space.

As I have reported in the past, capital investment in major pieces of apparatus should be kept up so as to project a replacement every three years with the oldest vehicle eventually being, at the most, fifteen years old. Presently, the major pieces are between (Engine I) 35 years and (Engine VI) new. Ladder I which is a 1968 Maxim is presently in for extensive repairs and should be replaced in the near future.

I would like to personally thank the Town Officials and Board for

their assistance and cooperation in the past year, and look forward to working closely with them in the future year.

Respectfully submitted,
John A. Taddei
Fire Chief

The Milford Fire Department responded to the following calls during Fiscal Year 1989:

Medical Calls	704
Public Assistance Calls	106
Local Alarms	282
Motor Vehicle Accidents	265
Motor Vehicle Fires	94
Structure Fires	65

Total Calls	2161

The following permits were issued by the Milford Fire Department during Fiscal Year 1989:

Smoke Detectors	356
Blasting	217
Oil Burners	127
Ammunition	18
Storage of Flammables	86
Propane	31
Tank Trunk Inspections	22
Underground Tank Removal	21
Open Burning/Cooking Fires	513
Seasonal Decorations	35
Christmas Tree Sales	5
Total Permits Issued	1431

COMMISSION FOR THE HANDICAPPED

In September, 1985, the Commission was reorganized and has been meeting on a monthly basis. Some of the powers and duties include, but are not limited to, reviewing recommendations and policies of all departments and agencies of the town: to participate in an advisory capacity concerning discrimination against the handicapped and to insure the equal status of the handicapped in education, employment, economic, political, health, legal and social spheres.

BOARD OF HEALTH

The Board of Health is responsible for enforcing the regulations of the State Sanitary Code. The Board issues permits and licenses for gas work, septic systems, wells, caterers, restaurants, retail markets, and other various types of permits. All housing complaints are answered and dwellings inspected. All markets and restaurants are inspected at least twice a year. The Board contracts for rubbish removal and operates the Transfer Facility on Cedar Street. The Board provides, through the Visiting Nurse Association, well child clinics, elderly clinics, and flu clinics. A nurse is provided for the children at Milford Catholic Elementary School two days a week, and the Board provides a dental fluoride rinse program for all schoolchildren, grades K through 7. This program is conducted by a registered dental hygienist. In conjunction with the Central Mass Mosquito Program, the Board conducts mosquito spraying during the summer months.

The Board has extended its contract for rubbish removal with

Browning-Ferris Industries of Holliston, for another year at the same rate. This contract will expire on June 30, 1991. The Board is working to reduce the tonnage of trash in order to reduce costs and avoid users fees. At the present time we have instituted a voluntary recycling program at the Transfer Facility. Containers have been placed there for paper and cardboard, and white, brown and green glass. During the past year, this program has been voluntary, but the Board plans in the near future to make this mandatory. The Board and Paul Mazzuchelli, Health Officer, will be educating the citizens as to the importance of recycling, not only environmentally, but also monetary savings. We have also been looking into the possibility of a recycling facility to locate in Milford. If this is successful, the Town could realize an approximate saving of 30% to 40% in tonnage. During this past year the Board purchased a wood chipper and now accepts brush at the Transfer Facility.

As to future plans, the Board will be expending their energy into studying and capping the former landfill on Cedar St. We have been notified that Milford has one of the most hazardous sites in the State. We have been working to receive a grant to aid in this costly work. In July of 1989, the State notified the Board that Milford was awarded a \$500,000.00 grant for this purpose. The Board is presently conducting interviews with several engineering firms who are working on a plan to properly cap this landfill. The study and plan has an approximate cost of seventy-five to one hundred and twenty five thousand dollars.

HIGHWAY DEPARTMENT

The department's general maintenance work continued as usual. Crews patched and cleaned basins, hottopped various locations, swept

streets and sidewalks, repaired equipment, cut brush along the roadside, cleaned debris from roadsides and brooks, repaired walls at various locations in the brooks, replaced street and square signs, replaced traffic signs at several locations, painted crosswalks and traffic lines and assisted all other Town Departments when necessary.

The Highway Department operated with 15 employees:

- 1 General Foreman
- 2 Master Mechanics
- 1 Heavy Equipment Operator w/ Backhoe License
- 9 Heavy Equipment Operators
- 1 Light Equipment Operator
- 1 Light Mechanic

The office consists of Highway Surveyor and Assistant to the Highway Surveyor.

During the past 18 months the following projects were completed:

HISTORICAL COMMISSION

Selectmen appointed Chairman Robert M. Andreola to serve on the Town Hall Rededication Committee. The Commissioners prepared souvenir booklets commemorating the event with most of the Commissioners attending the formal ball as a group.

The November 1988 Open House program featured a presentation by Commissioner Connie Buynicki on the nomination of the Prospect

Heights to the National Register of Historic Places as a Historic District.

Michael Joel, an Eagle Scout candidate, volunteered to do a public service project. He cleaned the old tombstones at Vernon Grove Cemetery and mapped them out so they can be easily located.

Commissioner Robert A. Samiagio served as liaison to the Cultural Committee along with Commissioner Marilyn Lovell who represented the Building Re-use Committee. The Cultural Committee granted the Historical Commission exclusive use of the old reference room for a museum, storage space on the third floor, and joint use of the main floor for business meetings and programs. Artifacts, display cases, books, maps, and photo albums were moved into the reference room for permanent display.

Memorial Hall opened its doors as a Cultural Center April 9, 1989 with a gala event. The Commission featured Civil War artifacts in recognition of the fact that the building was erected as a memorial to the Civil War veterans.

The Greenleaf Garden Club invited the Commission to set up a display at their flower show in the town library entitled "Reflections of Milford." We received honorable mention for our exhibit on the granite, shoe, and straw industries.

Eric Pearson of the Bergson Ice Cream store borrowed negatives to reproduce prints for decorating their new store. In appreciation he made a donation of \$50.00.

Commissioner Marguerite Hayes donated a book "It Will Take A Lifetime" written by Rev. Francis Sweeney, SJ. formerly of Milford and "The Little Engine That Could" written by Mabel Bragg, a local author. Commissioner Pamela Fields donated a large piece of pink granite with Howard Fafard's permission.

The November 1989 Open House, held in Memorial Hall, featured the Hopedale Community

House Senior Chorus accompanied by Lucille Damon on the piano and Arthur Floyd on the banjo. A film "Hopedale: Reflections on the Past" concluded the program.

The Commission meets the first Wednesday of every month in the Memorial Hall Cultural Center at 7 p.m. The museum is open the second Wednesday of each month from 2 to 4 p.m.

Presently, Town Hall, Memorial Hall, Thom Block, and the Gillon Block are listed on the National Register of Historic Places. The General Draper monument, in Draper Park, and the Prospect Heights have been nominated by the Commission to the National Registry. The State Review Board of Historic Places is currently reviewing these applications. Commissioner Connie Buynicki prepared the Prospect Heights application only after a very thorough investigation of its history.

Commissioner Anne Lamontagne continues to oversee the Brick School House on Purchase Street. The school is open to the public periodically and shown privately by arrangement.

MILFORD TOWN LIBRARY

The Milford Town Library continued to experience substantial growth during 1989. The Library program has been expanded to reach unserved segments of the community, and with the help of the Friends of the Library, the Milford Town Library was also able to provide a variety of special programs which promote books and reading.

The Library holds a total of 63,841 circulating and reference items. That number includes 39,702 adult hardcover and paperback volumes and 14,723 children's volumes. The Library holds 1,774 records, cassettes, videos,

compact disks and books with cassettes. Other holdings include 153 toys, 1,559 reference books, 200 periodical subscriptions and 30 special project items.

Library user rates have shown a sharp increase over the last fiscal year. We currently have 16,914 registered borrowers. A total of 213,103 people visited the Library in calendar and fiscal year 1989, and 262,269 items were checked out. The Library collected \$18,995 in fines—a substantial increase over last year was returned to the general fund.

The meeting rooms were used 378 times by outside organizations, while library quiet rooms enjoyed 4,759 users, and the Milford Room had 376 users.

Information and Adult Services answered 31,472 reference questions, and Children's Services answered 20,779 questions.

Approximately 360 people participated in programs sponsored by Information and Adult Services. Some of the new informational programs of interest were Ukranian Easter Egg Design, Birds of Prey, Handwriting Analysis, and Family History Research. Reference Librarians presented a teacher orientation to the Library for Milford Public School teachers, grades six through twelve.

Young Adults programs were attended by 1912 teens. A Lip Sync contest, rock concerts and the Halloween Haunted House were among the favorites. Young Adult Librarians, Irene Bonrad and Beth Chase presented booktalks and library instruction programs to school children grades six through eight throughout the year.

Children's programs and tours were attended by 11,985 children during this period. The traditional story times, Little Listeners, and Bringing Books Alive programs were presented along with special programs such as Suspenders, a juggling group, a magic show and several holiday programs.

Children's librarians provided special outreach services to public schools, nursery schools and in-home daycare providers.

The Library was able to extend library services to members of the Hispanic and Portuguese communities of Milford. With the help of the Library Services and Construction Act federal grant program, foreign language books, magazines, videos and cassette tapes were purchased. Cassette tapes that help people learn English were also added to the collection.

Several cultural and bi-lingual programs such as exhibits and lectures were arranged by Information Specialist, Carla Talvy and Salazar Da Costa, bi-lingual coordinator.

The Board of Library Commissioners in Boston granted state competitive grant money for the development of the adult non-fiction book collection.

Reference Librarian Jim Minot coordinated an outreach service which provides book delivery to homebound readers.

New staff members were hired to fill vacancies created by the resignation of Barbara Pryor and Kevin Kellet. Elaine Malloy accepted the position of assistant children's librarian and Bernie Tessicini is our new Junior Maintenance Custodian. Beth Case was hired as Young Adult Librarian when Irene Conrad was transferred to Assistant Children's Librarian. Margaret Rossetti resigned her position as Director of Library Services in November and was replaced by Ronald Latham who completed the last two weeks of the year.

The Greenleaf Garden Club of Milford planted spectacular spring and summer gardens in Hill Park and displayed their standard June flower show in the Library. The Ridgewood Women's Club of Milford sponsored the Higgins Armory program entitled "Road to the Renaissance."

The Friends of the Milford Town

Library expanded their membership to thirty-five. Active Friends members accepted the following offices, Judith Weaver, president, Mary Frances Best, vice president, Elia Tosches, secretary; Grace Peterson, treasurer. Dan Whitney, Barbara Garrity and Maria O'Regan are members-at-large. This year the Friends purchased two new museum passes to the New England Science Center in Worcester and the Worcester Fine Arts Museum. The Friends also initiated an outreach program to Milford-Whitinsville Hospital entitled "My Bear-y First Book."

In FY90, the Library hopes to complete the American Library Association five-year planning process. As part of the Western/Central Region LSCA project, Milford will be able to expand reference services through the use of CD-ROM data bases. Even though certain aspects of library service will be effected by budgetary cutbacks in FY90, the Milford Town Library is committed to providing the best possible public library service.

The Library Building Committee formally dissolved at their final meeting on July 12, 1989. The Board of Library Trustees would like to express their deepest gratitude to past and recent members of the Library Building Committee for their hard work and continuous dedication to the Library building project.

The Board of Library Trustees, Staff and Friends of the Milford Town Library would again like to take this opportunity to thank the people of Milford for their continued support of the Library.

Respectfully submitted,
Margaret Rossetti
Director of Library Services

OFF-STREET PARKING COMMISSION

The Off-Street Parking Commission is charged with the responsibility of fostering the provision of off-street parking facilities, and maintaining those facilities.

In September, 1989, the Commission was re-organized. Since that time, the Commission has initiated efforts to formalize procedures and comply with the recommendations and requirements of an independent auditor. These changes include:

- depositing all funds and revenues directly to the municipal accounts
- developing budgets for both operating and capital expenses
- hiring personnel via procedures outlined in the Personnel By-Laws and the Wage and Salary Administration Plan

Additionally, the Commission has conducted a survey of the downtown business community regarding their use of the lots.

Meetings of the Commission are held in Town Hall and are posted with the Town Clerk. Questions concerning the parking lots or the use thereof should be addressed to the Charirman, in care of Town Hall.

OFFICE OF PLANNING AND ENGINEERING

The Office of Planning and Engineering consists of the Town Engineer and Town Planner who serve as consultants to all Town Departments with primary responsibility to the Board of Selectmen, Planning Board and Conservation Commission.

The primary function of the department is to review new resi-

dential, commercial and industrial development plans and make recommendations regarding these plans to the various Boards and Commissions.

The department is also responsible for obtaining grants from State and Federal Agencies and developer impact mitigation commitments to upgrade the infrastructure and minimize impacts of the various developments.

During the past year, the Department has been instrumental in developing a new zoning by-law for Congregate Retirement Living Facilities, producing an updated Zoning Map and organizing the second annual Downtown Festival in conjunction with the revitalization of the Downtown Business District.

The major projects this department has been involved with over the past 18 months are:

- Completion of Maple Street reconstruction
- Beaver Street road improvements
- Signalization of Fortune Boulevard/Dilla Street/Cedar Street intersection
- Votolato Field Improvements
- North Vine Street School Zone Signalization
- Depot Street Ballfield
- Purchase Street Drainage Project
- Louisa Lake Clean-up Day
- Louisa Lake Recreation Area Grant Application
- By-Pass Road Right of Way Acquisition
- Marketing of Town-owned Industrial Land
- War Memorial Design Competition
- Inventory of Town-owned Land
- 1989 Holiday activities
- Securing private donations to upgrade 2 sewer pumping stations
- Updating zoning regulations concerning parking requirements and portable signs

- Proposal to bring MBTA commuter rail to Milford

Grants filed by the Office of Planning and Engineering include:

- Small Cities grant for downtown improvements: \$528,592
- Land and Water Conservation fund for Louisa Lake improvements: \$52,150
- Arts Lottery Grant for holiday concert: \$650.00
- Massachusetts Historical Commission grant for upper Town Hall improvements: \$75,000.00

PARKS/ RECREATION DEPARTMENT

The Department's responsibilities include maintenance of all school grounds, eighteen town parks and fields, maintain off-street parking lots, and operating town pool.

The facilities maintained and managed by the park department were enjoyed by many organizations including High School athletic teams, youth soccer, various baseball leagues from T-Ball to American Leagion, Pony League Football, and summer basketball leagues.

Once again, the town pool represented a popular spot for young and old. A user-fee program was successfully implemented with revenues directed towards a revolving account.

In light of Milford's budgetary situation, the parks department has actively sought donations of money or services. We wish to thank the following for their time and gifts:

\$10,000 from Friends of Milford Baseball to refurbish Fino Field infield.

\$11,000 donatin of new playground equipment at Tomaso Park from Milford Junior Women's Club.

\$22,750 in labor and materials

from Mass Electric for a new tennis and basketball lighting system at town park.

Volunteers from youth soccer program in assisting to develop an additional field at Woodland School.

Volunteers from C&K Construction and the Milford Girls Softball program in developing a new facility on Depot Street.

Utilizing a \$60,000 gift from WBG Construction Company to refurbish Votolato Field. Thanks also to volunteers from the Milford Jr. Baseball League for preparing site for construction. Project will be completed in late 1990.

Received approval for \$300,000 grant to rehabilitate Draper Park (money pending).

The Tree Department removed a number of damaged or dead trees and also provided wood-chipping services at over 350 locations.

Department goals include maintenance of existing school grounds, parks, and fields, upgrading new facilities, and development of additional facilities.

Meetings are held weekly on Tuesday evenings.

Respectfully submitted,
Michael J. Bresciani
Park Director

PERSONNEL BOARD

The Personnel Board is responsible for setting Wage and Salary levels of any new employee and the classification of any person seeking employment in the Town of Milford.

The Board also reviews salaries, salary structures and job descriptions required by law. The Personnel Board meets approximately twice a month and more often when preparing Article 2 for Town Meeting.

Salary structures are prepared by the Personnel Board, under Article 2 of the annual Town Warrant, subject to Town Meeting approval.

The Board meets with any town employee that falls under its jurisdiction, with the approval of the Department Head. The Personnel Board also mails information to numerous towns requesting salary and job descriptions for comparison.

The Personnel Board is constantly upgrading and clarifying questions pertaining to the Town's Personnel by-laws.

Presently the Board is operating under the guidelines of the Olney study which Town meeting adopted. The Board is consistently evaluating positions and changes in job descriptions required by law.

PLANNING BOARD

The Planning Board meets regularly on the first and third Tuesday of each month. Special meetings are scheduled as required by the volume of work to be processed. The Board meets in the Town Hall and meetings start at 7:00 p.m. All meetings are posted at the office of the Town Clerk, as required by law, and dates and times may be confirmed by consulting the meeting notices or telephoning the Office of Planning and Engineering at Town Hall.

The Planning Board's statutory authority includes the following:

Processing the subdivision of land.

Site Plan Review Hearings leading to construction of non-residential facilities and use of land.

Granting of Special Permits for Housing for the Elderly and for Planned Residential Communities (condominiums).

Reviewing petitions for variances and special permits with recommendations to the Zoning Board of Appeals.

Conducting public hearings for Chapter 121A Tax Agreements with subsequent recommendations to the Board of Selectmen.

Reviewing amended road layouts of public ways for recommendation to the Town Meeting.

Reviewing and approving acceptance of streets into the Town's public ways, with recommendation to the Town Meeting.

Holding public hearings for zoning amendments submitted to the Town and preparing reports and recommendations for the Town Meeting.

Residential, commercial and industrial development continued during the period of this report. The perpetual inventory of subdivision lots already approved and available for all types of residential uses was compiled as of December 31, 1989. On that date 579 lots were eligible to obtain building permits. The number of dwelling units eligible to be constructed on the approved lots totals 620 units.

The Planning Board processed 77 recommendations to the Z.B.A. for variances and special permits: held 53 public hearings for Site Plan Review; conducted 13 public hearings for amendments to the Zoning By-Law; processed 22 Preliminary Subdivision plans; held public hearings for 15 Definitive Subdivision plans; reviewed and signed 83 81-P plans; processed 33 plans for waiver of site plan review.

We worked closely with Town Planner Martha White to revise the Rules and Regulations governing the use of land for subdivision based on Chapter 41 of the M.G.L. The project was completed within a period of over five months and the new regulations were adopted and effective on October 19, 1989. Without the expertise of our Planner, the cost to the Town would have been prohibitive.

We extend our deepest gratitude for the outstanding assistance provided to us by our Town Engineer Michael Santora and to our

Town Planner Martha White for their untiring efforts to the Planning Board.

The following subdivisions were approved during the reporting period:

Congress Heights	Off Packard Rd.	2 Lots

Respectfully submitted,
Vincent W. Mancini, Sr.
Plumbing Inspector

During this reporting period the Planning Board collected fees in the amount of \$29,725.00 which were deposited in the General Fund.

Respectfully submitted,
James D. Griffith, Chairman

POLICE DEPARTMENT

At this time I would like to thank the Board of Selectmen, Finance Committee, and Town Meeting Members for their continued support given to the Milford Police Department.

I am quite concerned about the future of this department meeting the needs of the 90's. Again, I stress quite strongly the need of a new police facility. Growth is non-existent, parking and building square footage is insufficient. Modern technical equipment is non-existent, computers, FAX machines, patrol vehicle computers, etc. The department is basically operational as it was fifty years ago in most areas.

The personnel of the Milford Police Department will continue to serve the citizens of this community in a professional manner.

MILFORD COMMUNITY SCHOOL USE PROGRAM

This past year has again been most rewarding and successful for the Milford Community School Use Program. Our program offerings were well-attended and, hopefully, enjoyable to the residents of our community.

Our comprehensive Pool Program has been enjoyed by many residents of our town. Our membership plan was instituted and will continue.

The Milford Community School Use Committee, the 9-member advisory committee meets every other month between September and May in the Teachers' Resource Center at Milford High School.

As we continue to try and meet the needs of our community, in September of 1988, we initiated our "Extended Day Program" which was developed to aid working parents. The first year was most successful. Attendance has further increased this year, and we hope to keep growing. The Extended Day Program runs from 3 - 6 p.m. at Milford High School and is staffed by professional teachers and both adult and student aides.

Some of our programs include:

Summer Programs	
Art Workshop	Workshop

Baseball Camp
Basketball League
Community Day Camp
Girls' Softball
Gymnastics
Pre-K Camp
Pre-School Camp
Soccer Clinic
Tennis Clinic
Weight-Training

Winter/Fall/Spring Programs

Co-Ed Volleyball
Girls' Volleyball
Youth Wrestling
Biddy Basketball
Itty Biddy Basketball
Men's League
Over-30 League
Seniors' League
Teen League
Golf Lessons
Adult Tennis Lessons
Ski Programs
Extended Day Program
Adult Education Program
Open Gyms
Kids' Vacation Kamps
Pool Program
American Red Cross:
Swim Lessons
Lifesaving
Water Safety Instruction
CPR Clinics
First Aid
Lifeguard Training
Milford Theatre Guild

Residents are reminded that suggestions and ideas for new programs are always being solicited. Please call the Community Program Office with any new ideas.

I would like to again extend my appreciation to the Milford School Committee, the Superintendent of Schools, the Milford School Department, and the other town boards and agencies for their support and cooperation during the past year.

Finally, I would like to extend my sincerest thanks to the nine member Milford Community School Use Committee for their devotion and support in continually striving for a comprehensive and

enjoyable program for all our residents.

Respectfully submitted,
Louis J. Celozzi, Director

MILFORD SCHOOL COMMITTEE

The Milford School System has been fortunate to escape the impact of the State's financial woes over the period from July 1988 to December 1989. Only one teaching position was eliminated during the period.

"Business as Usual" was the theme during the eighteen months covered by this report, but it is doubtful that such a statement will describe the activities of the immediate future.

The teaching staff continues to be outstanding as evidenced by Marie Crispen being named as a Lucretia Crocker Fellow, one of only twelve teachers so honored in the Commonwealth.

Donna LaFlamme (Elementary), Anthony Niro (Middle) and Alex Gromyko (High School) received the prestigious Teacher of the Year awards in recognition of outstanding contributions to quality education in Milford.

Special Features of Milford High School included:

- Advanced Placement in European History, American History, Calculus, Biology, Physics and English
- Extended curricula and internships
- Dean Jr. College Honors Program
- After-school enrichment programs
- Early release work-study programs
- Extensive theater, instrumental and choral activities
- Summer school for remediation or enrichment
- Extensive Adult Education Courses
- Campus Center for Northeastern

University Continuing Education Courses

- Test Center for College Board Examinations, NLN tests and G.E.D. tests
- Annual booklet of local scholarships.
- Full-time Media Center Director
- National Honor Society for selected Juniors and Seniors

Special Features of Milford Middle School included:

- Reading is a major subject which meets every day.
- Students are prepared for advanced placement in the high school in the areas of Math and Foreign Language.
- The school(s) are broken down into eight (8) little schools, known as clusters.
- Students participate in a maximum of three (3) field trips per school year.
- Energetic, enthusiastic and dedicated staff.
- Several programs which motivate students to achieve academically, (i.e. Principals's List, Student of the Week, Letters of Recognition, Cluster Awards Programs).

Chapter I programs were conducted in reading at the elementary level and in math at the secondary level.

Bilingual programs were conducted at the elementary level with the emphasis shifting to English as a Second Language (ESL) in grades 6-12.

A full range of Special Education services was offered for special needs students 2½ to 22 years of age.

SEALER OF WEIGHTS & MEASURES

In compliance with the provisions of Massachusetts General Laws Chapter 98 Section 41 as amended, all persons have been notified that scales, pumps and measuring devices for the purpose of buying and selling of goods are to be tested, and if necessary, sealed and adjusted. Following such notification, all places of business in the town have been inspected.

Fees generated from sealing the above mentioned devices are returned to the Town of Milford. During the last 18 month period from 7/1/88 to 12/31/89 fees of \$1,160.60 was collected and deposited to the Town's general fund.

BOARD OF SEWER COMMISSIONERS

Operating Budgets:

1988-1988 @ \$746,118.00
1989-1990 @ \$855,513.00

During the past eighteen months, your Board of Sewer Commissioners has developed a Five Year Plan of Development & Rehabilitation of the Town of Milford's needs for Sanitary Sewer lines and the cost factors entailed for their completion:

1989	Birch Street Pump and Station Reconstruction	\$ 340,000.00
	Route 495 Pump and Station Reconstruction	260,000.00
1990	South Milford Pump Station and Force Main	860,000.00
	Charles River Interceptor	465,000.00
1991	Charles Street Pump and Station Reconstruction	575,000.00
	Pond Street Relief Sewer	460,000.00
1992	Fountain Street Sewer Construction	300,000.00
1993	Replacement of Dilla Street Pump and Station	150,000.00
1994	Southwest Interceptor	870,000.00
1995	Purchase Street Interceptor	490,000.00
1990/ 1995	Emergency Power/Transfer Switching	215,000.00
		\$4,985,000.00

During the past year, your commissioners have been negotiating with private industry and developers to offset some of the costs the above referenced projects. Through a cooperative "team" effort, the work on the Route 495 pump and station has already commenced and the Birch Street Pump has already been ordered. We expect completion of these pumps and stations by the fall of 1990 or early spring of 1991. This cooperative effort between The Board of Sewer Commissioners and Private Enterprises has given the Town of Milford a total cost savings of \$600,000.00 (the total cost of these projects if they went out to public bid by the Town of Milford.)

Specifications, drawings, and bid preparation has already begun on the South Milford Pump Station, the Charles River Interceptor, and the Charles Street Pump Station. These projects are components of the State Funded Facilities Plan that has already been submitted for funding eligibility by your Board of Commissioners.

Over the past eighteen months, you have witnessed the laying of a "new" sewer line along route 16 (from corner of Route 16 & 109, down to the intersection of Beach Street and Central Street). This project was completed "Under Budget" and "On Time" through a cooperative effort of the contractor and the employees of the Sewer Department. Excess funds from this

project will be returned to the General Fund of the Town of Milford.

Our Sewer Use Fee structure was dramatically changed with the adoption (by Town Meeting) of the Enterprise Fund (Ma. Gen. Lws. Chpts. 306 of 1986, Chpt. 40 Sect. 39F). Previously, our user fee was based on a "Unit" fee of \$95 per dwelling unit irregardless of the number of people that inhabit that dwelling. Through negotiations with the Milford Water Company (a privately held company), your Sewer Commissioners established a "rate" based on water consumption. Your Board feels that this "New" system is very equitable. It is based on actual water consumption per dwelling unit during the "dry" season of water consumption and is forecasted for the entire year. This change of financial structure, along with the establishment of an interest bearing Enterprise Fund account, has made your Sewer Department a self-supporting entity in the Town of Milford. Thus we returned \$855,513.00 back to the Town's General Operating budget in order to save the Educational, Public Health, And Public Safety budgets from being drastically cut in order to meet the Proposition 2½ Guidelines. Thus, through our efforts, the Board of Sewer Commissioners has helped to save jobs as well as monies for the Town of Milford.

Your Board of Sewer Commis-

sioners is looking toward the future, as well as, the present needs of the inhabitants of the town. The Enterprise Fund is only one of the many tools that we are employing in order to generate funds in an interest bearing account for the Sewer Department to offset operating budgets, bonded indebtedness, and costs of projects. The Board has rehabilitated the old fee structure for permits, sewer extensions, inspectional and testing requirements. These new fee structures reflect today's financial demands instead of mirroring the demand of twenty years ago.

At present your Board of Sewer Commissioners has instituted an Advanced Testing Program to meet the new requirements of Federal and State Agencies as regards the testing for metals and pollutants in our water supply and discharge. Our Lab (at our Wastewater Treatment plant) will be equipped to offer these types of testing services to private, public, and municipal entities that surround the Town of Milford. We intend to have a laboratory facility whose cost of operation can be offset through the fees charged for testing programs. Our goal is self-sufficiency at our Waste Water Treatment Plant.

We are also developing a comprehensive program for "composting" the byproducts of our processing plant for commercial and consumer uses. If this program becomes economically feasible and operational, the profits derived will be used to offset the cost of operating this program.

Your Board of Sewer Commissioners will continue to seek alternatives for financing major projects, develop, devise, or rehabilitate programs so that the operating budget of the Sewer Department will have a negative impact on the financial picture of the town.

Respectfully submitted on behalf of the Board of Sewer Commissioners;

James V. Melanson, Commissioner

COLLECTOR OF TAXES

The Tax Collector's Balance Sheet may be found in the financial section of this report.

I would like to take this opportunity to thank all departments for their co-operation during the past year.

A special thanks goes out to my staff, Joan Sanchioni, Paula Fortin, Rosemary Bellacqua and Claudia Cataldo for their untiring efforts and hard work throughout the year.

Very truly yours,
Robert J. Andreano

DEPARTMENT OF VETERANS' SERVICES

Your Department of Veterans' Services has been providing services and benefits to veterans and to their dependents since 1861.

From the date of that commitment by the Commonwealth of Massachusetts, that insured that no individual who served his or her state and nation with honor during periods of war or other conflicts would not be "pauperized" or forced to turn to public welfare for assistance. The Massachusetts Executive Office and the Massachusetts House and Senate have shown their continued concern for the welfare of the veteran and his or her dependents with the fullest support of one of the most comprehensive programs for veterans in the country, the Office of Commissioner of Veterans' Services and the local Department of Veterans' Services.

From the start in 1861, to the date in 1888, when the Soldiers Relief Law was enacted, which gave cities and towns the right to support honorably discharged veterans, their spouses, widows and minor children, to that date in

1945, when the Office of Commissioner of Veterans' Services was created and to the date in 1946 when Chapter 115, as amended (Veterans' Services) of Massachusetts General Laws was reorganized to form the basis of today's benefits and services program, the veterans within the Commonwealth of Massachusetts have not been forgotten.

With Chapter 559, Acts of 1946, mandating "municipal and district Departments of Veterans' Services", Veterans' Agents and Directors of Veterans' Services have become the first individuals that an ill, disabled, indigent, unemployed, or injured veteran has turned to for assistance.

Your local Veterans' Agent is committed to assist our needy veterans and their dependents, with the same concern and compassion that the Commonwealth of Massachusetts Executive Office and the Massachusetts House and Senate had when aid and assistance for our veterans was first created in the Commonwealth. From an early start, many reforms and changes have been made to improve the delivery of services. Today, with the continued support of the Massachusetts Executive Office and the Massachusetts House and Senate, your Veterans' Agent is meeting the needs of our former service personnel.

Your Veterans' Agent administers to many and varied entitlement programs and it is for this reason that your local Department of Veterans' Services is considered a ONE-STOP CENTER. In addition to the duties to aid, assist and advise, as stated in Chapter 115, Massachusetts General Law, your Veterans' Agent counsels, files claims, explores every avenue of resources and revenue available. The veteran or dependent of the veteran must be motivated to realize and be aware of their own assets. Where rehabilitation may be required, proper attention is given to that need, with all being done in a man-

ner that treats the veteran or his dependent with dignity and courtesy. Our services to veterans and to their dependents is a record of which we are proud.

Among the many and varied duties of your Veterans' Agent and Director of Veterans' Services are as follows:

Burial Agent—under regulations established by the Commissioner of Veterans' Services, the Veterans' Agent shall cause properly to be interred the body of a veteran or adult dependent who dies without sufficient means to defray funeral expenses; and the body of any dependent child of a veteran and his wife, or his widow, be without sufficient means to defray funeral expenses.

Care of Veterans' Graves—as Veterans' Graves Officer, your Veterans' Agent shall cause every veteran's grave within the town to be suitably cared for. Such case shall include the clearing of weeds and other unseemly growth from said graves; the repairing, replacement, and general upkeep of fences around said graves; the raising and repairing of sunken grave stones markers and other similar services that may be necessary to restore and maintain such graves and their surroundings in an orderly fashion. He shall cause to be placed on such veteran's grave a flag of the United States on every Memorial Day.

PTSD—Post Traumatic Stress Disorder—assisting veterans affected from this disorder.

Homeless Identification—assisting the homeless veteran is a major concern today—we are attempting to provide assistance with housing problems as well as providing assistance to prevent evictions, which would result in having additional veterans and their families homeless.

Agent Orange Program—assisting

veterans who may be afflicted with this problem.

Former Prisoners of War Program—assisting former POW's in ascertaining that they receive their maximum benefits.

Other varied entitlements that your Director for Veterans' Services must be knowledgeable about in order that he may properly assist veterans and their dependents:

Veterans Employment and Training Services
 U.S. Small Business Administration
 Vocational Rehabilitation
 State Bonus Payments
 Power of Attorneys
 VA Compensation and Pensions
 Discharge Difficulties
 Educational and Vocational Benefits
 Employment
 Gold Star Parents
 Hospitalization and Domiciliary Care
 Housing

 Medical Problems
 Notary Services
 Photostatic Work
 Recording of Service Records
 Reference Material
 Retirement Matters
 Selective Service Information
 Social Security Matters
 Adjutant Generals Office

 Women Veterans
 World War II—Maritime Service
 National Cemetery

Being a veteran does not make entitlement automatic. The eligibility to receive entitlements from the Department of Veterans' Services and from the Veterans Administration must be determined and shown. The local Veterans' Agent and Director of Veterans' Services will assist veterans and their dependents in securing benefits and entitlements that they are entitled to.

Your Veterans' Agent and Director of Veterans' Services will continue to meet his responsibility to the taxpayers of the Town with diligence, keeping in mind that monies received from other resources will reduce the financial responsibility to the Town.

My thanks to the Board of Selectmen for their understanding to the needs of veterans, and for their continued support to insure that the Veterans' Service Department's justifiable monetary benefits are met. The Department of Veterans' Services and the Town will continue to fulfill the needs of those who served.

The Department of Veterans' Services is able to continue to meet the needs of our Veterans efficiently and effectively by working closely with the following people and agencies:

Board of Selectmen
 Commissioner of Veterans' Services,
 John Halachis and his staff
 Director of Veterans Affairs,
 Boston Regional Office, Robert
 Moakley and his staff
 Social Security Administration
 Senator Louis Bertonazzi
 Representative Marie Parente
 Veterans Organizations

The Department of Veterans' Services will continue to provide the service to our Veterans, and their dependents, being aware of the fact that our services have constantly increased. It is therefore necessary to emphasize the quality of services and continue with our best effort to maintain an efficient and economical Veterans Assistance Program.

Respectfully submitted,

MEMORIAL HALL CULTURAL CENTER COMMITTEE

The Memorial Hall Cultural Center Committee was given the use of Milford's historic Memorial Hall to be used as a center for the arts, humanities and culture in the greater Milford area. The Cultural Committee has allowed various parts of the building to be used by many Milford based organizations.

The Milford Historical Commission maintains a museum in the building and has hosted several events open to the public. The Veterans Organizations maintain a room on the second floor of Memorial Hall. The Milford Auxiliary Police have an office in the basement and in May of 1989, the Committee approved the donation of office space to the Office of Children, a state referral and advocacy team serving the Blackstone Valley area. Space was allocated in the basement from July 1, 1989 until June 30, 1990.

Finally, members of the Memorial Hall Cultural Center Committee formed the Memorial Hall Cultural Center, Inc. The Center, Inc., a private not-for-profit, currently employs a part-time executive director. The Center, Inc. has sponsored a variety of cultural programs in the building. Events have ranged from an arts festival to programming for both children and adults. A Folk Music series has been highly successful and jazz and classical chamber music will soon be offered. In addition to the programs sponsored by the Center, Inc., many Milford organizations such as the Milford Artist's Guild, the Milford Arts Lottery and the Milford Sympony use the building regularly for meetings, demonstrations and workshops.

The Committee and the Board of Directors of the Center, Inc. meet Wednesdays of the month. Interested residents are always welcomed.

METROPOLITAN AREA PLANNING COUNCIL

With the support of Milford and 100 other communities in the region, the Metropolitan Area Planning Council was able to continue to provide planning services, information and advice for regional communities during 1989.

Throughout the year, MAPC concentrated on refining MetroPlan 2000, the regional growth plan adopted in principle by representatives at the 1989 annual meeting in May. The regional development framework will aid communities in designating potential growth areas based on the availability of infrastructure, and in designating areas where growth should be discouraged.

With a regional plan, growth can be directed so that affordable housing issues are addressed, open space and environmentally sensitive areas are protected, and transportation habits that contribute to traffic congestion and air pollution are changed.

At the same time, planned growth can encourage new job opportunities by providing incentives for growth in specific areas. In addition, with a shortage of funds to build new roads or maintain old ones, planned growth encourages the best use of limited resources.

In fiscal year 1989, which runs from July 1, 1988 through June 30, 1989, Milford contributed \$4,615 to MAPC for regional planning services.

In addition to MetroPlan 2000 planning efforts, MAPC staff produced community population and employment forecasts, and updated the development file and vacant sites survey for each community.

Some communities also took advantage of information programs, and met with MAPC planners to discuss the federal Transportation Improvement Program, trip reduction tools, curb controls, and

impact fees. In Milford:

- The new officers of the South-West Advisory Planning Committee are: Sherborn selectman Grace Shepard, chairman; Rick Brown, vice-chairman, Holliston; and Martha White, second vice chairman, Milford.
- MAPC is working with SWAP on transportation, housing and impact fee issues. Staff previously assisted the subregion in the preparation of a strategic planning grant on housing and water resources.

MAPC appreciates our continued support. In the coming year, we are encouraged to engage in MetroPlan 2000 planning activities, as well as to utilize the planning skills and knowledge available from MAPC staff.

Sincerely,
Martha Leigh White
MAPC Representative

REDEVELOPMENT AUTHORITY

Since July, 1988, the Redevelopment Authority has focused its attention on the effort to revitalize the downtown area. Towards this end, a downtown advisory committee was formed, comprised of representatives from the downtown retail, professional and banking communities.

The Redevelopment Authority and/or its sub-committee participated in the following projects:

- preparation of a Commercial Area Revitalization District application
- development of a planometric map of the downtown area
- sponsorship of events at the 1988 Downtown Festival
- obtaining of information concerning the types of downtown businesses, vacancy rates, rental fees, etc.

— grant application to the Executive Office of Communities and Development for \$528,592 for various downtown improvement projects

BLACKSTONE VALLEY VOCATIONAL REGIONAL SCHOOL DISTRICT

During the 1988-89 school year the school's dual educational program provides 180 days of instruction for 809 students in grade 9 through grade 12.

Dual education program constituted a structured academic curriculum for 445 hours and specialized vocational-technical preparation for 445 hours. The educational process was delivered in two-week segments: traditional academic instruction alternated with vocational-technical education throughout the year.

Specialized vocational-technical programs offered included: Air Conditioning, Auto Body, Auto Technology, Computer Information Processing, Culinary Arts, Drafting, Electrical, Electronics, Graphic Arts, Health Services, Machine Shop, Metal Fabrication, Paint & Decorating, and Plumbing.

Traditional academic curriculum provided sequenced courses in English, mathematics, science, social studies, business, computer literacy and physical education appropriate for each grade level and in consideration of individual differences and interests.

Special education services were provided for 171 students in accordance to needs identified in each student's individual education plan.

Evening Adult Education programs were conducted in the fall and spring semesters. Programs served a total of 303 adults who sought competency development in vocational-technical areas (Carpentry, Auto Body, Basic Electrical, Machine Shop, Computers, Basic

Electronics, Welding, Computer Aided Design) or personal fulfillment in other areas of interest (Aerobics, Word Processing, Quilting, Interior Decorating, Typing, Stained Glass). Programs were self-supported by participants who paid established fees for instruction and training.

Regular School Committee meetings are held at the Blackstone Valley Regional Vocational Technical High School, Pleasant Street, Upton, MA on the third Thursday of each month in the School Committee Conference Room at 7:30 p.m.

Member towns are:

Bellingham
Blackstone
Douglas
Grafton
Hopedale
Mendon
Milford

VOICE VOTE UNANIMOUS

ARTICLE 10. To see if the Town will vote to amend the General By-Laws of the Town by adding a new Section 25 to Article 13 as follows:

Section 25. Regulation of Newsracks

A. Legislative Declaration.

The unregulated installation, use or maintenance of newsracks in public streets and private streets to which the public has a right of access will result in the obstruction of sidewalks that will interfere with the public's right to unhampered passage thereon, will create traffic congestion or illegal parking or stopping by motorists in order to purchase newspapers, will damage municipal property because of the chaining of newsracks to poles, traffic standards or other fixtures, will interfere with the performance of required municipal services, will create unsightly conditions and will endanger the safety and welfare of the inhabitants of the Town of Milford.

B. Word Usage; Definitions.

1. When not inconsistent with the context, words used in the present tense include the future; words in the plural include the singular; and words in the singular include the plural.

2. For the purposes of this Article, the following words and phrases shall have the meanings given herein.

DISTRIBUTOR — Any person responsible for the installation, use or maintenance of a newsrack in a public street.

NEWSRACK -- Any self-service or coin-operated box, container, storage unit or other dispenser installed, used or maintained for the display and sale of newspapers, periodicals or other printed matter.

ROADWAY — That portion of a highway, street or way improved, designed or ordinarily used for vehicular travel, exclusive of the berm or shoulder.

SIDEWALK — That portion of a street between the curblnen or lateral lines of a roadway and the adjacent property lines, intended for use by pedestrians, including any grass or unpaved strip between the roadway and the said portion intended for use by pedestrians.

STREET — The entire width between the boundary lines of every way publicly maintained and private way to which the public has a right of access when any part thereof is open to the use of the public or purposes of vehicular travel, and it includes any alley or public grounds in the Town of Milford.

C. Permits Required; Requirements.

1. No person, firm, corporation or other entity shall install, use or maintain any newsrack without first obtaining a written permit therefor from the Board of Selectmen.

2. No such permit shall be issued until after receipt by the Board of Selectmen of a written application therefor made on forms provided by the Selectmen and signed by the applicant or his authorized representative.

3. No such permit shall be issued until after the applicant has filed with the Town a certificate of insurance in the amount of One Hundred Thousand (\$100,000.00) Dollars conditioned substantially that the applicant shall indemnify and save harmless the Town of Milford and its

officers from all suits and actions of every kind brought against said Town and its officers for or on account of any injuries or damages received or sustained by any person or damages suffered by the Town in consequence of, or resulting from, the installation, use or maintenance of each such device, or the failure of any applicant to conform to the requirements of this Section 25 of Article 13 of the Town's By-Laws.

4. No permit shall be issued for a newsrack unless all requirements of this Section 25 of Article 13 as well as all other applicable provisions of the Town's By-Laws are fully met by the proposed device and its location. Any issued permit may be revoked by the Selectmen upon their determination that the device to which it applies as installed or maintained violates any provisions of the Town's By-Laws.

5. Nothing herein contained shall be construed to relieve any applicant from any obligations or liabilities to the Town of Milford.

D. Prohibitions; Standards.

1. No person shall install, use or maintain any newsrack which projects onto, into or over any part of the roadway of any public street.

2. No person shall install, use or maintain any newsrack which in whole or in part rests upon, in or over any sidewalk or other public place when such installation, use or maintenance endangers the safety of persons or property or when such site or location is used for public utility purposes, public transportation purposes or government use or when such newsrack unreasonably interferes with or impedes the flow of pedestrian or vehicular traffic, sidewalk or street cleaning and/or snow removal, the ingress into or egress from any residence, place of business or any legally parked or stopped vehicle or the use of poles, posts, traffic signs or signals, hydrants, mailboxes or other objects permitted at or near said location.

3. Any newsrack which in whole or in part rests upon, in or over any sidewalk or other public place shall comply with the following standards:

- (a) No newsrack shall exceed four (4) feet in height, thirty (30) inches in width or two (2) feet in depth.
- (b) No newsrack shall be chained, bolted or otherwise attached to any property owned or maintained by the Town of Milford, except that it may be bolted to a sidewalk, in which case, upon its removal, the Distributor shall restore the sidewalk to its condition prior to such installation.
- (c) No newsrack shall be placed, installed, used or maintained:
 - (i) within three (3) feet of any crosswalk.
 - (ii) within fifteen (15) feet of any fire hydrant.
 - (iii) within five (5) feet of any fire or police call box or other emergency facility.
 - (iv) within five (5) feet of any driveway, public or private.
 - (v) within three (3) feet ahead or fifteen feet to the rear of any designated bus stop, taxi stand or place marked for handicapped parking.
 - (vi) at any location whereby the clear space for the passageway of pedestrians is reduced to less than four (4) feet.

- (vii) within three (3) feet of any display window of any building abutting the sidewalk or other public place in such a manner as to impede or interfere with the reasonable use of such window for display purposes.
- (viii) no newsrack shall be used for advertising signs or publicity purposes other than that which is essential to identify on no more than two (2) sides of the newsrack, the newspaper, periodical or other printed matter offered for sale therein. Advertising signs, promotional decorations, banners and moving signs shall not be permitted on the newsrack, except as otherwise provided in this subsection.
- (ix) each newsrack shall be maintained in a clean and neat condition and in good repair at all times, and it shall be of one (1) color that does not unnecessarily contrast with the immediate surroundings except that the lettering permitted in Subsection 3 (c) (ix) and (x) of this section may contrast with such one (1) color. Neither such one (1) color nor any of the permitted lettering shall employ reflectorized paint, day-glo, fluorescent or scotchlite reflective materials or materials of like nature.
- (x) every person who places or maintains a newsrack on the streets of the Town of Milford shall have his name, address and telephone number affixed thereto in a place where such information may easily be seen.

E. Applicability; Time Limit for Compliance.

The provisions of this Article shall apply to existing newsracks within the Town of Milford, except that the distributors thereof shall have thirty (30) days within which to comply with the said provisions or within such additional time as may be allowed in the discretion of the Board of Selectmen.

1. If any distributor violates any provisions of this Article, it shall be the duty of the Chief of Police to determine whether or not such a violation has occurred and thereafter to notify the distributor to correct the violation within five (5) days thereafter. Such notification and direction shall be in writing; it shall specify the nature of the violation and whether or not it warrants removal of the newsrack if not corrected within five (5) days, and it shall direct correction, it shall be served upon the distributor in the same manner as a summons; or it shall be telephoned to the distributor at the telephone number designated by the distributor as provided in D 3 (c) (xi) above and confirmed in a written notice, mailed by certified mail with return receipt requested to the address designated by the distributor as provided in D 3 (c) (x) above. During such five-day period, the distributor shall have a right to a hearing before the Chief of Police or his duly designated representative to determine whether or not such violation warrants removal prior to final determination. At such hearing the distributor shall have the right to examine the evidence upon which the Chief of Police acted, to cross-examine any witnesses who may have appeared before him and to offer any evidence which may tend to show that the subject newsrack does not violate any provisions of this Article and that the claimed violation is not of a nature which warrants removal prior to final determination. The hearing officer shall promptly review such evidence, notify the distributor of his decision with respect thereto, and if necessary, afford the distributor a reasonable opportunity to comply with such determination.

2. If said violation is not corrected within such five-day period or such further reasonable period as may be contained in a superseding notice by the Chief of Police, the Highway Department shall be directed by the Chief of Police to remove such newsrack and place it in storage in a secure place. The cost of removal and storage shall be billed to the distributor, and in the event of non-payment, a civil suit for money damages may be brought in the name of the Town.

3. If such newsrack is not claimed within thirty (30) days, it shall be treated as abandoned property and disposed of as provided by law.

4. Any distributor who, having been notified and directed as provided herein to correct a violation of the provisions of this Article, fails to correct such violation as provided in such notice shall be guilty of a violation and shall be subject to a fine not to exceed \$200.00 for each violation, each day of continuing violation to be considered a separate offense.

5. Any distributor or other person aggrieved by a finding, determination, notice, or action taken under the provisions of this Section may appeal to the Board of Selectmen. An appeal shall be made in writing, and it must be filed within three (3) days after the receipt of a written notice of any protested decision or action with the Office of the Board of Selectmen by a letter of appeal briefly stating therein the basis for such appeal. A hearing thereon shall be scheduled to be held on a date no more than fifteen (15) days after receipt of such letter. The appellant shall be given at least five (5) days' notice of the time and place of hearing. The Board of Selectmen shall give the appellant or any other interested person a reasonable opportunity to be heard in order to show cause why the determination at the conclusion of the hearing or as soon thereafter as is practicable. In the event that a distributor is successful in reversing a determination that the claimed violation was of a nature which warranted removal pending a final determination, no fee shall be imposed for the removal and storage of the newsrack which was the subject of the appeal, and failure to comply with such determination shall not serve as a basis for prosecution under Subsection 4 of this section.

6. Nothing contained in this section shall be interpreted to limit or impair the exercise by the Town of Milford of its police power in the event of an emergency to remove any newsrack which presents a clear and present danger of imminent personal injury or property damage to users of the public streets of this Town.

F. Severability.

In the event that any provisions of this Section 15 of Article 13 of the Town's By-Laws shall be held invalid, such invalidity shall not affect the validity of any other provision thereof.

BALLOT QUESTIONS

QUESTION 1 — Referendum Petition on an existing Law

Do you approve of a law summarized below, which was approved by the House of Representatives on May 20, 1987, by a vote of 93-58, and approved by the Senate on May 20, 1987, by a vote of 31-8?

SUMMARY

The law provides a salary increase, effective January 7, 1987, for the members of the legislature and certain constitutional officers of the Commonwealth.

Beginning at a base salary of \$30,000, each member of the legislature will receive a salary increase under the law equal to the compounded percentage increase in the salaries of full time state employees who are subject to collective bargaining agreements between the Commonwealth and the ALLIANCE, AFSCME - SEIU AFL-CIO in effect between January 5, 1983 and January 7, 1987. Thereafter the salaries of each member of the legislature will be increased by the same percentages as the salaries of full time

state employees subject to the collective bargaining agreements.

The law further provides that members of the legislature holding leadership positions and committee chairmanships will receive an annual sum in addition to their salary. This additional amount will vary from \$7,500 to \$35,000 depending upon the particular position the member holds.

The law also increases the salaries of certain constitutional officers. Under the law the salary of the governor is set at \$85,000, the salaries of the lieutenant governor, state secretary, state treasurer and the state auditor are set at \$70,000; and the salary of the attorney general is set at \$75,000.

Any individual may waive his or her salary increase under this law. Any amount so waived shall not be deemed regular compensation for the purposes of computing any such person's benefits and shall be exempt from state taxation.

QUESTION 2 — Law proposed by initiative petition

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 3, 1988, by a vote of 24-123, and on which no vote was taken by the Senate before May 4, 1988?

SUMMARY

The proposed law would repeal state law requiring that the wages, including payments to health and welfare plans, paid to persons employed in the construction of public works be no less than the wages paid locally under existing collective bargaining agreements and understandings, or by the municipality, for the same kind of work. Under the proposed law, the Commissioner of Labor and Industries would no longer set wage rates for such work or classify jobs.

The proposed law would also remove the Commissioner of Labor and Industries' authority to set the wage rates of employees of contractors who move office furniture and fixtures for the state or a county, city, town or district, and remove the Commissioner's authority to set the wage rates of operators of vehicles and other equipment engaged in public works.

The proposed law would not change the way wages are set for laborers employed by the state Department of Public Works and the Metropolitan District Commission.

QUESTION 3 — Law proposed by initiative petition

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 2, 1988, by a vote of 2-150, and disapproved by the Senate on May 3, 1988, by a vote of 0-34?

SUMMARY

The proposed law would require the Commissioner of the Department of Food and Agriculture to issue regulations to ensure that farm animals are maintained in good health and that cruel or inhumane practices are not used in the raising, handling or

transportation of farm animals.

The Commissioner would issue regulations, effective within four years after passage of the proposed law, about the surgical procedures used on farm animals, the transportation and slaughter of farm animals, and the diet and housing of those animals. The Director of the Division of Animal Health could issue exemption permits for a period of time up to one year and one half to any farmer.

Under the proposed measure, an unpaid Scientific Advisory Board on Farm Animal Welfare comprised of veterinarians and animal scientists would also be established within the Department of Food and Agriculture. The Board would examine animal agricultural practices, issue for publication certain reports on farm practices, and make non-binding recommendations to the Commissioner about specific regulations. If appropriated by the legislature, the Board may allocate an annual sum of not more than ten cents per Massachusetts citizen to assist farmers in adopting methods which are consistent with the purposes of this law.

The Director of the Division of Animal Health would be responsible for enforcing regulations issued as a result of this proposed law. Persons who violate the new law would be punished by a fine of up to \$1,000.

QUESTION 5

Shall an act passed by the General Court in the year nineteen hundred and eighty-eight entitled "An Act providing for the establishment of a charter for Worcester County," be accepted?

SUMMARY

Acceptance of this Home Rule plan by a majority of the voters of Worcester County will create a new form of county government under which Worcester County will be governed by an elected seven member County Council and an appointed County Manager.

The members of the County Council will be elected for four year terms by and from the voters of seven districts to be established so as to consist of as nearly an equal number of people per district as possible. The legislative powers of the County as exercised by resolution or ordinance will be vested in the Council. The Council shall elect from its own number a chairperson and vice-chairperson. Approval authority over the annual operating and capital outlay budgets for the County is vested in the County Council.

The County Council shall appoint a County Manager for an indefinite term by majority vote. He may be removed by a majority vote of the Council subject to due notice and opportunity for hearing. The manager will serve as chief executive officer of the County at a salary fixed by the Council. His duties and responsibilities will include the preparation of annual operating and capital outlay budgets for submission to the County Advisory Board and County Council, supervision of the care and custody of all County property, institutions and agencies, negotiation of contracts and supervision of all County administrative departments.

The County shall have authority by agreement upon the request of any unit or units of local government to provide any service, activity or undertaking which such governmental unit is authorized to perform for itself.

The County Treasurer, Sheriff and Registers of Deeds will remain elective positions, retaining general charge and superintendence over their respective departments. Citizen initiative, referendum and recall procedures shall be available to voters of the County, shall be available to the voters of the County.

SPECIAL TOWN MEETING
TOWN HALL
MARCH 13, 1989
TOWN OF MILFORD
COMMONWEALTH OF MASSACHUSETTS

At 7:30 P.M. Town Clerk, Joseph F. Arcudi held elections to fill vacancies in Precincts 1 and 3. There were no candidates.

The meeting was called to order by Moderator Michael J. Noferi at 7:45 P.M. A quorum was set at 126 members.

The Monitors reported 155 present, a sufficient number to constitute a quorum.

A moment of silence was observed for Mr. Francis Larkin, who passed away this week. Mr. Larkin was a long-time member of the Milford Town Meeting Body.

The Town Clerk read the warrant and the Officer's return thereto.

ARTICLE 1. To see if the Town will vote to transfer the sum of \$5,000 from those funds appropriated as Line Item Number 081-5300, Other Insurance, Expenses, under Article 4 of the June 6, 1988 Annual Town Meeting, to Line Item Number 073-5110, Workmen's Compensation, Personal Services, as voted under Article 4 of said meeting.

(Board of Selectmen)

VOTED: That the Town transfer the sum of \$5,000 from those funds appropriated as Line Item Number 081-5300, Other Insurance, Expenses, under Article 4 of the June 6, 1988 Annual Town Meeting, to Line Item Number 073-5110, Workmen's Compensation, Personal Services, as voted under Article 4 of said meeting.

VOICE VOTE UNANIMOUS

ARTICLE 2. To see if the Town will vote to amend the agreement between the Town of Bellingham, Blackstone, Douglas, Grafton, Hopedale, Mendon, Milford, Millbury, Millville, Northbridge, Sutton, Uxbridge and Upton with respect to the establishment of a Regional Vocational High School District in the following manner:

1. Section I, Paragraph (A) is amended by striking the words "Annual Town Elections" and inserting in place thereof the words "at the biennial state elections in 1990, and in every fourth year thereafter, members of the Regional District School Committee shall be elected by the voters in the District."
2. Section I, Paragraph (C) is amended by striking the entire Paragraph (C) entitled ELECTED MEMBERS, and inserting in place thereof the following:

(C) Elected Members

At the biennial state elections in 1990, and in every fourth year thereafter, members of the Blackstone Valley Regional School District Committee shall be elected by the voters in said District. The terms of such members shall commence on the third day of January following their election. If a member town of the District shall not have a candidate on the ballot for any such election, then a member from said town shall be appointed in accordance with Paragraph (D) of Section I of this Agreement.

3. Section I, Paragraph (E) is amended by striking the words "in April" as appearing in Line 2 of said paragraph and inserting in place thereof the words "in January."

or take any other action in relation thereto. (Blackstone Valley Vocational Regional School District.)

VOTED: That the Town amend the agreement between the Towns of Bellingham, Blackstone, Douglas, Grafton, Hopedale, Mendon, Milford, Millbury, Millville, Northbridge, Sutton, Uxbridge and Upton with respect to the establishment of a Regional Vocational High School District in the following manner:

1. Section I, Paragraph (A) is amended by striking the words "Annual Town Elections" and inserting in place thereof the words "at the biennial state elections in 1990, and in every fourth year thereafter, members of the Regional District School Committee shall be elected by the voters in the District."

ARTICLE 3. To see if the Town will vote to transfer a sum of money from available funds, said sum to be expended under the jurisdiction of the Planning/Engineering Department for the purpose of developing a Zoning Base Map for the Town of Milford, or take any other action in relation thereto.
(Board of Selectmen)

VOTED: That the Town transfer the sum of \$6,000 from the Excess and Deficiency Account, said sum to be spent under the jurisdiction of the Planning/Engineering Department for the purpose of developing a Zoning Base Map for the Town of Milford.

VOICE VOTE UNANIMOUS

ARTICLE 4. To see if the Town will vote to amend the Zoning By-Law of the Town of Mildford as follows:

1. By amending Section 3.9.1 by adding a new sub-section as follows: 3.9.1.4 Portable signs are prohibited, excepting the following:
 - a. signs advertising real estate for sale or lease, placed only on the subject property.
 - b. signs erected in connection with on-going construction work, only during said construction.
 - c. political signs.

- d. portable signs, as defined herein, may be permitted for a period not to exceed thirty (30) days, upon the issuance of a permit by the Building Commissioner, only for the purpose of advertising a new business and only until such time as the permanent sign for said business is installed, or 30 days, whichever is sooner. Said portable sign shall not be placed so as to obscure vision, as per subsection 2.4.6 herein. Existing portable signs must be removed within six (6) months from the effective date of this by-law.

2. By amending Section 4.1 by inserting (after the definition of Sign, non-accessory) the following definition:

Sign, portable — any sign, display or advertising device initially designed to be mobile or transportable and not attached permanently to a foundation, building or building site, or take any other action in relation thereto.

(Planning Board)

The following Planning Board report was made by Seena Heller.

DECEMBER 6, 1988
PUBLIC HEARING REPORT
AMENDMENTS TO ZONING BY-LAW

The public hearing opened at 10:10 P.M. with all five members of the board present. Also present were Town Planner Martha White and Town Engineer Michael Santora. No interested parties attended. It was moved, seconded and unanimously voted to dispense with reading of the notice.

The Town Planner reviewed the proposed zoning amendments. In subsection 3.9.1.4 (d), the phrase "subject to" was changed to the word "upon"; the words "by the Building Commissioner" were added after the word "permit"; and the last word was changed from "regulation" to "by-law".

This proposed amendment regulates the use of portable signs.

At 10:25 P.M., Mr. Ciaramicoli moved to close the public hearing and transmit a FAVORABLE RECOMMENDATION to the Town Meeting, seconded by Mr. Griffith — unanimous vote of all five members.

VOTED: That the Town amend the Zoning By-Law of the Town of Milford as follows:

1. By amending Section 3.9.1 by adding a new sub-section follows:

3.9.1.4 Portable signs are prohibited, excepting the following:

- a. signs advertising real estate for sale or lease, placed only on the subject property.
- b. signs erected in connection with on-going construction work, only during said construction.
- c. political signs.
- d. portable signs, as defined herein, may be permitted for a period not to exceed thirty (30) days, upon the issuance of a permit by the Building Commissioner, only for the purpose of advertising a new business and only on the same site as said business is located and only until such time as the permanent sign for said business is installed, or 30 days, whichever is sooner. Said 30 day permit shall not be renewed. Said portable sign shall not be placed so as to obscure vision, as per subsection 2.4.6 herein. Existing portable signs

must be removed within six (6) months from the effective date of this by-law.

2. By amending Section 4.1 by inserting (after the definition of Sign, non-accessory) the following definition:

Sign, portable — Any sign, display or advertising device initially designed to be mobile or transportable and not attached permanently to a foundation, building or building site.

MINORITY REPORT MILFORD FINANCE COMMITTEE

RE: March 13, 1989 Special Town Meeting, Article 5

Mr. Moderator, fellow town meeting members, ladies and gentlemen, my name is Jack Hodgens of 4 Yale Drive. I am a member of the Finance Committee and a Town Meeting Member in Precinct 5.

Pursuant to 7.26 ("Dissents can be mentioned, if the dissenters insist") and 8.05 ("If the committee is split, if the town is also split and if the matter is really important, a member of the minority should speak and state the number he represents.") of the Massachusetts Finance Committee Handbook and my obligation as a member of the Finance Committee, I feel compelled to offer you a minority opinion in opposition to the Finance Committee's favorable recommendation. I was among 3 Finance Committee members who voted against a favorable recommendation for Article 5.

Let me say first that, I do support the construction of a fire station. I also support the construction of a fire station on Birch Street. However, I cannot, in good conscience, support the construction of a \$3.35 million dollar fire station on Birch Street for three (3) reasons:

1. The Fire Station Building Committee's original "Criteria" defined a satellite (or substation) as a facility with "4-6 bays" and "crew quarters for up to 10 (persons)". "Criteria", Fire Station Building Committee at 3. The design proposed in Article 5 calls for, not 4-6 bays — but 10 bays, and not crew quarters for 10 persons — but crew quarters for 20 persons.

2. On September 23, 1987 the Special Town Meeting Articles were discussed at the Finance Committee meeting. A member of the Board of Selectmen represented to the Finance Committee that "the Birch Street site is not going to be the main station, just a sub-station." Minutes, Milford Finance Committee, September 23, 1987 at 2. Article One, authorizing the purchase of the Birch Street property, received the unanimous approval of the Finance Committee.

3. On September 28, 1987 the Town Meeting unanimously approved the purchase of the Birch Street site. In pertinent part, Article One called:

[t]o see if the Town will vote to authorize the Board of Selectmen to acquire by purchase . . . 3 acres . . . of land located on the westerly side of Birch Street . . . said land to be used as a location for a Fire Department substation (emphasis added).

On the basis of these three points, I believe certain representations were made to the Finance Committee and to the Town Meeting that the Birch Street site would encompass only a substation, not a main station.

This is not a matter of mere semantics. Words, written and spoken, mean something. I voted to approve the purchase of the Birch Street property in reliance upon the representation that a sub-station would be constructed not a main station.

At some point between Town Meeting's approval of the acquisition of the Birch Street property in 1987 and this evening, the entire scope of this project has expanded two-fold. The proposed \$3.35 million dollar design of the Birch Street station exceeds what was previously represented to the Finance Committee and Town Meeting.

For the foregoing reasons, as a member of the minority of the Finance Committee, I must recommend unfavorable action.

Respectfully submitted,

John M. Hodgens, Jr.

Milford Finance Committee

EXHIBIT B

MILFORD FIRE STATION BUILDING COMMITTEE INTERIM REPORT TO TOWN MEETING MARCH 13, 1989

At last year's Annual Town Meeting, the committee was authorized to prepare preliminary plans for a new facility on Birch Street. The Birch Street site was donated to the town by 495 Associates in return for improvements to Birch Street, both of which were voted on at a Special Town Meeting in February 1988.

A last year's meeting, the committee outlines the following needs:

1. Facilities to house 30 or more vehicles — and the related staff — to handle a full "50-year build-out" of the town,

2. Siting of the facilities in the:
 - a.) East,
 - b.) North and
 - c.) Middleareas of town.
3. An NFPA — specified training facility, and
4. Suitable administration facilities.

We projected that the siting and construction of these facilities would take place throughout the 1990's.

Tonight's proposal covers more than 50% of these requirements while providing much needed coverage on the rapidly growing East end of the town.

Based on your authorization to proceed on the Birch Street site and after a subcommittee screened 33 architectural firms, the full committee interviewed six finalists and chose Donham & Sweeney, Inc. of Boston. Donham & Sweeney has extensive experience with both publicly and privately funded projects, including a highly publicized new Police Station in the Mattapan section of Boston; combined fire/police stations in Georgetown, Wellfleet, Winchester, Norfolk and Somerville; and fire stations in Hanover, Sharon and Hampstead, New Hampshire. Other work has included town halls, public housing, churches and privately funded construction throughout Eastern Massachusetts and Rhode Island.

Working with the committee, architect Brett Donham has developed a traditional design that makes maximum use of the donated property, blends with adjacent condominiums and begins to meet the town's long-term training and administration needs as outlined above.

First and foremost, the Birch Street Fire Station/Training Center will provide facilities for up to 12 vehicles and their maintenance, hose preparation and maintenance, a watch commander and 9-person crew. This is handled with a five-double-bay, double-ceiling-height brick structure built into the site's sloping terrain so that the rear and most of the side of the first floor is below ground level.

Together with the existing Spruce and South Main Street stations, the building will provide garaging for all the town's apparatus until the additional facilities are completed in the 90's. Currently Milford equipment is housed in surrounding towns and at a facility donated by Rizoli Chevrolet or is parked outside.

Although the committee would have preferred drive-through bays, the plan to build the station into the slope will save \$500,000 initially in construction and on an ongoing basis in energy costs.

Second, the proposed facility includes an NFPA-specified driver-training area, separate "burn" building, drafting tank for testing hoses and pumper pressure and a classroom at a level above the street but accessible directly at ground level from the rear of the building. Of the three sites outlined for stations at last year's Town Meeting (Birch Street, Summer Street and North Purchase Street), Birch Street is the most suitable for training. The construction of a first-class training facility will improve the quality of training not only for Milford but also for the local-area Mutual Aid system.

Third, the Fire Station/Training Center also will become the administrative headquarters of the Fire Department. The administration area will be built using "attic" space formed by the pitched roof over the double-ceiling-height apparatus room and the crew quarters and adding aesthetically attractive dormers.

The committee feels that meeting these two latter needs today in what is somewhat a "buyers' " market — rather than waiting until the proposed Public Safety Building is constructed in the early 90s — will result in major savings. The committee feels that the cost for building the fire station section of the Public Safety Building will be much less than the amount projected last year and, in fact, will be less than this \$3,352,000 proposal — as measured in 1989 dollars.

The project has received all necessary permits and approvals from the Sewer Commission. Planning Board, Capital Planning Committee, Zoning Board of Appeals and Finance Committee.

After a lengthy discussion, it was then

VOTED: That the Town authorize the design, construction and original equipping and furnishing of a new fire station and training facility on Birch Street, and to authorize the Fire Station Building Committee to contract for and in the name of the Town and do all other things necessary for the accomplishment of the foregoing purpose; and to raise and appropriate the sum of \$3,352,000 to defray the costs of the design, construction and original equipping and furnishing of such new fire station and training facility, and to meet that appropriation to authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow \$3,352,000 as bonds or notes under the provisions of Chapter 44, Section 7, Clause 3 of the General Laws, as amended.

Standing vote 129 in favor; 29 opposed. — PASSED.

A motion was made by Selectman John Beccia, Jr. to advance to Article 33.

Motion was passed by voice vote unanimous.

ARTICLE 33. To see if the Town will vote to rescind its vote under Article 33 of the October 28, 1986 Adjourned Special Town Meeting by which vote the erection of further structures in Draper Park, and the expenditure of Town funds therefore, was forbidden, or take any other action in relation thereto.

(Board of Selectmen)

A lengthy discussion (approximately one hour) took place by many Town Meeting Members.

A Motion was made to move the previous question.

Standing vote 110 in favor: 40 opposed — Motion carried.

It was then

VOTED: That the Town rescind its vote under Article 33 of the October 28, 1986 Adjourned Special Town Meeting by which vote the erection of further structures in Draper Park, and the expenditure of Town funds therefore was forbidden.

VOICE VOTE UNANIMOUS. — DEFEATED.

Standing vote taken 84 in favor; 67 opposed. PASSED.

ARTICLE 6. To see if the Town will vote to hear the report of the Board of Selectmen on the layout of a by-pass road from Medway Street to Hayward Street, a length of 3,101 feet, more or less, and to see if the Town will vote to accept said layout by the Selectmen and according to the Plan on file with the Town Clerk, and to see if the Town will vote to authorize the Selectmen to take by eminent domain, acquire by purchase, or otherwise acquire the rights in land necessary for said layout to provide the sum or sums of money necessary to pay the costs or damages thereof, and to direct how said funds shall be raised, whether by transfer from available funds, from the current tax levy, by borrowing or otherwise and how expended, or take any other action in relation thereto.

(Board of Selectmen)

The following report was presented by the Selectmen.

REPORT OF THE SELECTMEN

After notice required by the provisions of Chapter 82 of the General Laws, we, the Selectmen of Milford, met on the 30th day of January, 1989 at 7:30 P.M. for the purpose, among others, of considering whether or not to vote to layout as a public way a by-pass road from Medway Street to Hayward Street, being more fully detailed in accordance with the description attached hereto, and as shown on a plan entitled "Plan of Land in Milford, Mass., showing proposed layout of By-Pass Road, Scale: 40 feet to an inch, Date: December 29, 1988, Guerriere & Halnon, Inc. Engineering and Land Surveying, 333 West Street, Milford, Mass."

AND IT IS THEREFORE ORDERED that said by-pass road be and hereby is laid out as and for a public way under the provisions of said Chapter 82 of the General Laws, according to the attached description.

It was then

VOTED: That the Town hear the report of the Board of Selectmen dated February 6, 1989 on the layout of a by-pass road from Medway Street to Hayward Street, a length of 3,101 feet, more or less; and that the Town accept said layout as laid out by the Selectmen and as described in the report of the Selectmen as follows:

The public hearing was scheduled for January 17, 1989. Only Mrs. Heller and Mr. Cook were present. Two members were out of state on vacations and one member was absent due to the death of an immediate family member. The lack of a quorum resulted in the postponement of the hearing until the following week.

On January 24, 1989 four members and the Town Planner and Town Engineer were present. Mr. Parente was absent. The public hearing opened at 9:20 P.M. Five interested parties attended.

Representatives of the Fafard Company presented the proposal. The current Zoning By-Law permits automobile, truck or boat sales, rental or service in all other Commercial and Industrial Districts except the CA (downtown area) and the IB (Highway Industrial) Districts.

The proposed amendment would permit the above designated uses in the IB District. The IB District is more appropriate for these uses, as the IB District requires much larger lots and substantial setbacks.

At 9:30 P.M. Mr. Griffith moved to close the public hearing and transmit a FAVORABLE RECOMMENDATION to the Town Meeting, seconded by Mr. Cook. Unanimous vote of all four members present.

VOTED: That the Town amend Article II, Section 2.3 of the Zoning By-Law, the Use Regulation Schedule, so that said section and schedule will allow "Automobile, truck or boat sales, rental or service" as a permitted use within the Highway Industrial (IB) Zoning District.

(Planning Board)

The following report was made by a member of the Planning Board.

DECEMBER 6, 1988
PUBLIC HEARING REPORT
AMENDMENTS TO ZONING BY-LAW

The public hearing opened at 10:10 P.M. with all five members of the board present. Also present were Town Planner Martha White and Town Engineer Michael Santora. No interested parties attended. It was moved, seconded and unanimously voted to dispense with reading of the notices.

The Town Planner reviewed the proposed zoning amendments.

This proposed amendment removes the RA1 Zoning District from Section 2.3 Use Regulation Schedule and all related sections referring to the RA1 District.

At 10:25 P.M., Mr. Ciarmaicoli moved to close the public hearing and transmit a FAVORABLE RECOMMENDATION to the Town Meeting, seconded by Mr. Griffith — unanimous vote of all five members.

VOTED: That the Town amend the Zoning By-Law Zoning Map of the Town of Milford as follows:

1. By revising the Zoning Map referred to in Section 2.1 as "Milford, Mass. — Zoning", by changing from "General Residential/Professional — RA 1" to "General Residential — RA" the area bounded and described as follows:

ARTICLE 17. To see if the Town will vote to amend the Zoning By-Law as follows:

1. By amending Section 2.3, the Use Regulation Schedule, by inserting below the designation "Residential Uses", after the classification "dwelling, Two-Family", the new classification "Congregate Retirement Living Facility" having footnotes 1 and 12 and followed by the following symbols,

all as shown below:

Congregate Retirement Living Facility 1,12	RA 0	RB A	RC A	RD O	CA O	CB O	CC O	IA O	IB O	IC O
---	---------	---------	---------	---------	---------	---------	---------	---------	---------	---------

2. By amending Section 2.3, the Use Regulation Schedule, by adding a new footnote 12 to read as follows:

¹²See Section 3.12 for standards of development for congregate retirement living facilities.

3. By amending Section 4.1, Definitions, by inserting after the definition of “Club”, a definition for “Congregate Retirement Living Facility” to read as follows:

Congregate Retirement Living Facility — a facility providing living accommodations and communal facilities for elderly persons over age 62. See Section 3.12 herein for development standards and further information concerning congregate retirement living facilities.

In the case of a couple, only one must meet the above-mentioned age requirement. However, in no case shall any person under the age of fifty (50) years be permitted to be a resident of the facility.

4. By creating a new Section 3.12 to read as follows:

3.12 Congregate Retirement Living Facilities — Congregate Retirement Living Facilities may be developed in either the RB or RC Districts within the Town of Milford subject to the issuance of a Special Permit from the Zoning Board of Appeals and subject to the approval of a site plan by the Planning Board, all as per Section 2.3, herein. Such developments shall comply with all applicable regulations provided herein. Said developments shall be serviced by the public sewer system.

3.12.1 Congregate Retirement Living Facilities shall provide the following amenities and services:

- (a) 24-hour on-site responsible staff person(s);
- (b) Units may range from efficiency units to two bedroom units each having a private bath and each being equipped with a buzzer or other emergency call system linked to a central office which is manned 24 hours each day. All units shall be equipped with safety features such as non-skid bath tubs and grab bars in showers, tubs and near toilets;
- (c) an elevator, if the building is greater than one story in height;
- (d) kitchenettes in individual units;
- (e) a common dining area in which at least the main full meal shall be served each day;
- (f) laundry, housekeeping and personal services available as an option for those residents who desire such services;
- (g) laundry facilities for residents' personal use;
- (h) common indoor and outdoor passive recreational areas.

3.12.2 Congregate Retirement Living Facilities may provide the following services and amenities:

- (a) a kitchenette on each floor;
- (b) retail sales and services for the convenience of residents only, accessible only from inside the facility (except service entries). No exterior signs or other display for these sales and/or services shall be permitted;
- (c) recreational and activity areas, including, but not limited to, library, swimming pool, chapel, health club, infirmary, workshop,
- (d) transportation services.

3.12.3 Intensity of Use: A Congregate Retirement Living Facility shall not be developed on a site of less than 3 acres. The following intensity of use regulations shall apply:

<u>Requirements</u>	<u>3 — 9.9 Acres</u>	<u>Lot Size 10 — 19.9 Acres</u>	<u>20 Acres or More</u>
Frontage & Width	140'	140'	200'
Front Yard Setback	50'	50'	75'
Side & Rear Yard Setback	75'	100'	200'
Max. Building Coverage (Percent of Lot Area)	25%	25%	25%
Ratio, Gross Floor Area to Lot Area (F.A.R.)	.50	.50	.50
Min. Open Space (Percent of Lot Area)	50%	50%	50%
Max. Height (Feet)	35'	45'	60'
Max. No. of Stories (Whichever is Less)	2-½	3-½	5
Parking Requirements	Adequate off-street parking shall be provided on paved surfaces to service all demands. At a minimum, one space for each two dwelling units plus one space for each employee. Parking shall not be permitted within the required yard setback areas.		

3.12.4 A nursing home may be developed accessory to, and on the same site as, a congregate retirement living facility subject to the following:

- (a) all zoning requirements applicable to nursing homes must be observed;
- (b) parking for the nursing home and congregate retirement living facility shall be cumulative,
- (c) the distance between the buildings shall be, at a minimum, equal to the sum of their heights, unless they are connected. The nursing home shall be located on the site in such a manner that light and view is not obstructed for residents in the congregate retirement living facility.
- (d) the nursing home shall be specifically intended to accommodate those residents of the congregate retirement living facility, when and if they are in need of the additional care provided by a nursing home. That is, adequate space shall be

reserved in the nursing home such that no resident of the congregate retirement living facility shall be denied accommodations in the accessory nursing home. The contract or other agreement between the congregate retirement living facility and each resident shall specifically guarantee that such accommodations shall be provided upon request.

(e) All other provisions of Section 3.12 shall be applicable.

3.12.5 The developer shall be required to provide a covenant or other document appropriate for recording which shall, at a minimum, assure that the congregate retirement living facility shall be developed in accordance with all applicable provisions of the Zoning By-Law; and assure that all amenities agreed upon by the developer and the Planning Board shall be incorporated into the development prior to the issuance of the occupancy permit. This document shall be reviewed and approved by the Planning Board prior to their signing of the site plan. This document, together with the site plan, shall be recorded by the applicant at the Worcester District Registry of Deeds and a recorded copy of the documents shall be provided to the Planning Board prior to the issuance of a building permit. No occupancy permit shall be issued until the Building Commissioner has been notified by the Planning Board in writing that the congregate retirement living facility has been developed in accordance with the terms and conditions of the Special Permit, the site plan and the covenant, or take any other action relation thereto.

The following report was presented by a member of the Planning Board.

DECEMBER 6, 1988
PUBLIC HEARING REPORT
AMENDMENT TO ZONING BY-LAW — CONGREGATEE
RETIREMENT LIVING FACILITY

The public Hearing opened at 8:45 P.M. All five members of the board were present. Also present were Town Planner Martha White and Town Engineer Michael Santora. Three interested parties attended the hearing: Mr. Rizoli, Mr. Cataldo and Attorney Holland.

Atty. Holland presented the proposed amendment which the Planning Board reviewed in detail. All members of the board agreed with the concept of the type of housing which would become a permitted use by adoption of this amendment.

The submitted proposal required several changes of content and language, deletion of some phrases and the addition of a height requirement formula to be determined by the size of the lot area.

At 9:45 P.M., Mr. Ciaramicoli moved to incorporate the changes into the proposed amendment, close the public hearing and transmit a FAVORABLE RECOMMENDATION to the Town Meeting, seconded by Mr. Griffith — unanimous vote of five members.

VOTED: That the Town amend the Zoning By-Law as follows:

1. By amending Section 2.3, the Use Regulation Schedule, by inserting below the designation "Residential Uses", after the classification "Dwelling, Two-Family", the new classification "Congregate Retirement Living Facility" having footnotes 1 and 12 and followed by the following symbols, all as shown below:

VOICE VOTE UNANIMOUS

A motion was made to combine Articles 18, 19 and 20 for discussion purposes only.

VOICE VOTE UNANIMOUS — PASSED.

The following report was made by a member of the Planning Board. The report refers to Articles 18, 19 and 20.

OCTOBER-18, 1988
REPORT OF PUBLIC HEARING
ZONING AMENDMENT — RA, RB, RC TO CC
OFF MEDWAY ROAD BEHIND LINCOLN PHARMACY & SEARS SURPLUS STORE
PROPERTY OF R & R PLAINS REALTY TRUST
RICHARD RIZOLI & ROBERT CATALDO

The public hearing opened at 8:20 P.M. on October 18, 1988. All five members of the Planning Board, Town Engineer Michael Santora and Town Planner Martha White were present. There were six interested parties in attendance. The clerk read the public hearing notice.

Attorney George Holland made the presentation on behalf of the petitioners. The proposed amendment would change residentially zoned land behind the Lincoln Pharmacy and the Sears Surplus Store to CC (Highway Commercial).

A proposed by-pass road separating the residential zone from the commercial zone would be constructed and the petitioner would construct approximately half of the proposed road passing through their property.

The Planning Board was concerned with limiting access and egress on to the by-pass road and the owners stipulated that there would be only one driveway on either side of the road. They further stated that a legal document insuring the stipulation would be submitted to the town.

At 9:00 P.M. Mr. Tessicini moved to close the public hearing and take the matter under advisement, seconded by Mr. Parente. Unanimous vote of five.

At the regularly scheduled meeting of November 15, 1988 four members were present. Mr. Tessicini was absent due to an out of town meeting. The proposal was discussed and the Planning

Board determined that the amendment would be beneficial to the inhabitants of the town by establishing an alternate route through the eastern part of the town.

Mr. Parente moved that a FAVORABLE RECOMMENDATION be submitted to the Town Meeting providing that the legal document limiting curb cuts be submitted prior to the Town Meeting, seconded by Mr. Griffith. Unanimous vote of four.

ARTICLE 18. To see if the Town will vote to rezone to Commercial "C" that property presently zoned Residential "A" and being owned by R & R Plains Realty Trust, located off Medway Street and described as follows:

Beginning at the northerly corner of the parcel, said point being a corner of existing Commercial "C" and Residential "A" zone lines,

THENCE southerly along the Residential "A" zone line 136 feet, more or less, to the northwesterly side of the proposed road,

THENCE northwesterly along the northwesterly side of said road 267 feet, more or less, to the existing Commercial "C" zone line; and

THENCE northeasterly along the existing Commercial "C" zone line 241 feet, more or less, to the point of beginning.

Said parcel to be rezoned contains an area of 16,531 square feet, or .038 acres, more or less, or take any other action in relation thereto.

(R & R Plains Realty Trust)

VOTED: That the Town vote to rezone to Commercial "C" that property presently zoned Residential "A" and being owned by R & R Plains Realty Trust, located off Medway Street and described as follows:

ARTICLE 21. To see if the Town will vote to hear the report of the Board of Selectmen on the relocation and alteration of the intersection of Fortune Boulevard, Beaver Street, and East Main Street, and to see if the Town will vote to accept said relocation and alteration of said intersection by the Selectmen and according to the plan on file with the Town Clerk; and to see if the Town will vote to authorize the Selectmen to take by eminent domain, acquire by purchase, or otherwise acquire the rights in land necessary for said relocation and alteration, to provide the sum or sums of money necessary to pay the costs or damages thereof; and to direct how said sums shall be raised, whether by transfer from available funds, from the current tax levy, by borrowing or otherwise, and how expended, or take any other action in relation thereto.

(Board of Selectmen)

The following report was presented by the Board of Selectmen.

REPORT OF THE SELECTMEN

After notice as required by the provisions of Chapter 82 of the General Laws, we, the Selectmen of Milford, met on the 28th day of March, 1988, at 8:45 P.M. for the purpose, among others, of considering whether or not to vote to relocate and alter a portion of Beaver Street for a distance of 4,400 linear feet, more or less, in accordance with the description attached hereto, and as shown on a plan entitled "Plan of Land in Milford, Mass., showing proposed Layout of Beaver Street, Scale: 40 feet to an inch, Date: March 21, 1988, Guerriere & Halnon, Inc., Engineering and Land Surveying, 333 West Street, Milford, Mass."

AND IT IS THEREFORE ORDERED that said Beaver Street be and hereby is relocated and altered as and for a public way under the provisions of said Chapter 82 of the General Laws according to the attached description.

It was then

VOTED: That the Town hear the report of the Board of Selectmen on the relocation and alteration of the intersection of Fortune Boulevard, Beaver Street and East Main Street; and that the Town accept said relocation and alteration of said intersection as laid out by the Board of Selectmen and as described in the report of the Selectmen, as follows:

LEGAL DESCRIPTION OF A PROPOSED LAYOUT OF EAST MAIN STREET AND FORTUNE BOULEVARD

The proposed layout consists of widening the existing layouts of the northwesterly side of East Main Street and the northeasterly side of Fortune Boulevard. Said existing layouts are found on the following plans; East Main Street: The 1929 State Highway Layout dated April 16, 1929; Fortune Boulevard: A plan by Guerriere & Halnon, Inc., dated February 7, 1983 and recorded in Plan Book 507, Plan 44. Said widening extends northeasterly 150 feet, more or less, and northwesterly 100 feet, more or less, from the intersection of said East Main Street and Fortune Boulevard and is more fully described as follows:

The main baseline of location of this layout is the baseline of the 1929 State Highway Layout of East Main Street. The baseline bearing being N 39° 16' 01" E between Station 50+35.50 and Station 53+55.04 as shown on the plan hereinafter described would be N 39° 09' 05" E if referenced to the system of bearings used in the aforesaid 1929 Layout.

The northwesterly location line of the East Main Street Layout and the northeasterly location line of the Fortune Boulevard layout as shown on the plan hereinafter described begins at a point of non-tangency on the existing layout line opposite Station 51+45.00, said point being referenced to said East Main Street baseline Station 51+45.00 by a course bearing N 52° 11' 45" W a distance of 37.08 feet; thence

S 40° 56' 25" W	a distance of 94.49 feet to a point of curvature; thence
Southwesterly and Northwesterly	and curving to the right along the arc of a curve having a radius of 55.00 feet, a length of 74.47 feet to a point of tangency; thence
N 61° 29' 08" W	a distance of 20.22 feet to a point; thence
S 28° 30' 52" W	a distance of 5.00 feet to the point of ending on the existing layout of Fortune Boulevard. Said point being tied to said East Main Street baseline Station 53+00.00 by a course having a bearing of S 51° 33' 52" E a distance of 103.49 feet.

Said Layout is shown on a plan entitled: "Plan of Land in Milford, Mass. Showing Proposed Layout and Easements of East Main Street and Beaver Street and Fortune Blvd. Scale: 40 Feet to an Inch Date: April 29, 1988 Guerriere & Halnon, Inc. Engineering and Land Surveying 333 West Street, Milford, Mass."

LEGAL DESCRIPTION OF A PROPOSED LAYOUT OF BEAVER STREET

The proposed layout consists of widening the existing layout of Beaver Street as shown on a plan by Schofield Brothers, dated October 30, 1967 and recorded in Plan Book 317, Plan 78 recorded at the Worcester District Registry of Deeds. Said widening extends southeasterly 409 feet, more or less, from the intersection of East Main Street and is more fully described as follows:

The baseline of location for this layout of Beaver Street is an auxiliary baseline to the East Main Street baseline and begins at Station 53+10.56 on said East Main Street baseline, is called Station 9+45.27 Beaver Street baseline and extends S 61° 31' 57" E to the point of ending at Station

13+54.08. The northeasterly location line of the Beaver Street layout as shown on the plan hereinafter described begins at a point on the existing East Main Street layout said point being referenced to the East Main Street baseline Station 51+91.11 by a course bearing S 03° 52' 39" W a distance of 53.76 feet, thence

S 52° 23' 46" E a distance of 2.49 feet to a point of non-tangency; thence

Southwesterly and and curving to the left along the arc of a curve having a radius of 30.00
Southeasterly feet a length of 53.22 feet to a point of non-tangency, said curve having
a chord of 46.51 feet and chord bearing of S 10° 42' 37" E; thence

S 28° 28' 03" W a distance of 5.00 feet to a point; thence

S 61° 31' 57" E a distance of 178.14 feet to a point, thence

S 55° 49' 18" E a distance of 90.21 feet to the point of ending on the existing layout of
Beaver Street opposite baseline Station 12.89.76.

The southwesterly location line of the Beaver Street layout as shown on the plan hereinafter described begins at a point of non-tangency on the existing East Main Street layout, said point being referenced to the East Main Street baseline Station 53+55.04 by a course bearing S 64° 19' 29" E a distance of 35.37 feet; thence

Northeasterly and and curving to the right along the arc of a curve having a radius of 25.00
Southeasterly feet a length of 23.13 feet, said curve having a chord of 22.31 feet and
chord bearing of S 88° 02' 41" E, to a point of non-tangency; thence

N 28° 28' 03" E a distance of 5.00 feet to a point; thence

S 61° 31' 57" E a distance of 358.54 feet to a point; thence

N 61° 54' 26" E a distance of 6.01 feet to the point of ending on the existing layout of
Beaver Street opposite baseline Station 13+54.08.

Said layout is shown on a plan entitled: "Plan of Land in Milford, Mass. Showing Proposed Layout and Easements of East Main Street and Beaver Street and Fortune Blvd. Scale: 40 feet to an inch Date: April 29, 1988 Guerriere & Halnon, Inc. Engineering and Land Surveying 333 West Street, Milford, Mass."

And further, that the Town vote to authorize the Selectmen to take by eminent domain, acquire by purchase, or otherwise acquire, the rights in land necessary for said relocation and alteration; and to transfer the sum of \$18,000 from the Excess and Deficiency Account to pay the costs or damages thereof.

(Planning Board)

The following report was made by a member of the Planning Board.

DECEMBER 6, 1988
PUBLIC HEARING REPORT
AMENDMENTS TO ZONING BY-LAW

The public hearing opened at 10:10 P.M. with all five members of the board present. Also present were Town Planner Martha White and Town Engineer Michael Santora. No interested parties attended. It was moved, seconded and unanimously voted to dispense with reading of the notice.

The Town Planner reviewed the proposed zoning amendments. An additional phrase was added to Number 1. amending Section 1.15.2.1; in Number 2. the word "leasable" was deleted; in Number 3., subsection 1., line 2 "1.3 employees" was changed to "1.4 employees"; number 3, subsection 2 "each employee" was changed to "1.1 employees".

This proposed amendment clarifies the present by-law, adds specific parking formulas for previously unaddressed uses and requires standing signs to designate Handicapped Parking spaces.

At 10:25 P.M., Mr. Ciaramicoli moved to close the public hearing and transmit a FAVORABLE RECOMMENDATION to the Town Meeting, seconded by Mr. Griffith — unanimous vote of all five members.

VOTED: That the Town amend the Zoning By-Law.

VOICE VOTE UNANIMOUS

ARTICLE 46. To see if the Town will vote to instruct the War Memorial Committee to take all actions necessary to erect a Memorial to veterans of World War II, the Korean War and Vietnam War at a definite site within the Town of Milford, or take any other action in relation thereto.

(Board of Selectmen)

A motion was made by Selectman John Beccia to pass over the article.

After some discussion

The vote came on the motion to pass over the article.

VOICE VOTE UNANIMOUS — DEFEATED.

A substitute motion was offered by Nicholas Mastroianni and accepted by the Moderator as follows: "That Town Meeting vote to instruct the War Memorial Committee to erect the Memorial at Gen. Draper Park, but with the proviso that construction of said Memorial require that Town Meeting vote approval of the Memorial design in its final form."

An amendment to the Mastroianni motion was offered by Warren Heller as follows: After the words Gen. Draper Park insert "located on Main Street; Congress Street and Park Street."

The amendment by Warren Heller was carried by

VOICE VOTE UNANIMOUS.

Action then came on the amendment to the article made by Nicholas Mastroianni, which was carried by

VOICE VOTE UNANIMOUS.

It was then

VOTED: That the Town instruct the War Memorial Committee to take all necessary actions to erect a Memorial to veterans of World War II, the Koren War and Vietnam War at Gen. Draper Park, located on Main Street, Congress Street and Park Street, with the proviso that construction of said Memorial require that Town Meeting vote approval of the Memorial design in its final form.

FEBRUARY 21, 1989
PUBLIC HEARING REPORT
ZONING AMENDMENT — IB TO RC — OFF HOWARD STREET

The public hearing opened at 8:35 P.M. with four members of the Planning Board present. Mr. Parente, who is on vacation, was absent. Also present were the Town Engineer and Town Planner.

One interested party was in attendance.

Mr. Frank Pirrelo of Guerriere & Halnon made the presentation.

The petitioners are seeking a zoning change for 10.9 acres of land abutting their home in order to build one single residence.

Almost all of the 10.9 acres is either in the flood plain or contains wetlands, which would severely limit any construction.

At 8:45 P.M. Mr. Tessicini moved to close the public hearing and transmit a FAVORABLE RECOMMENDATION to the Town Meeting, seconded by Mr. Cook — unanimous vote of four.

IT WAS MOVED: That the Town rezone to Rural Residential (RC) that property presently zoned Highway Industrial (IB) being a portion of the property owned by William H. & Jeannette T. Place.

ARTICLE 29. To see if the Town will vote to petition the Legislature for the enactment of Special Legislation enacting a recall procedure applying to elected officials in the Town of Milford, as follows:

AN ACT PROVIDING FOR RECALL ELECTIONS
IN THE TOWN OF MILFORD

Be it enacted, etc., as follows:

SECTION 1. Any holder of an elected office in the Town of Milford may be recalled therefrom by the qualified voters of the Town as herein provided.

SECTION 2. Any ten qualified voters of the Town of Milford may initiate a recall petition by filing with the Town Clerk of said town an affidavit containing the name of the officer sought to be recalled and a statement of the grounds of recall. Said Town Clerk shall thereupon deliver to the voter making such affidavit a sufficient number of copies of petition blanks demanding such recall, printed forms of which he shall keep on hand. The blanks shall be issued by the Town Clerk with his signature and official seal attached thereto; they shall be dated and addressed to the Selectmen of said town, shall contain the name of the person to whom issued, the number of blanks so issued, the name of the case of an officer subject to a recall election and not recalled thereby, until at least six months after the election at which his recall was submitted to the voters. No person who has been removed from an office or who has resigned from office while recall proceedings were pending against him, shall be appointed to any town office within two years after such removal or such resignation.

IT WAS MOVED: That the Town petition the Legislature for the enactment of Special Legislation enacting a recall procedure applying to elected officials in the Town of Milford, as follows:

AN ACT PROVIDING FOR RECALL ELECTIONS
IN THE TOWN OF MILFORD

Be it enacted, etc., as follows:

SECTION 1. Any holder of an elected office in the Town of Milford may be recalled therefrom by the qualified voters of the Town as herein provided.

SECTION 2. Any ten qualified voters of the Town of Milford may initiate a recall petition by filing with the Town Clerk of said town an affidavit containing the name of the officer sought to be recalled and a statement of the grounds of recall. Said Town Clerk shall thereupon deliver to the voter making such affidavit a sufficient number of copies of petition blanks demanding such recall, printed forms of which he shall keep on hand. The blanks shall be issued by the Town Clerk with his signature and official seal attached thereto; they shall be dated and addressed to the Selectmen of said town, shall contain the name of the person to whom issued, the number of blanks so issued, the name of the person sought to be recalled, the grounds of recall as stated in said affidavit, and shall demand the election of a successor to such office. A copy of the petition shall be entered in a record book to be kept in the office of the Town Clerk. Said recall petition shall be returned and filed with the Town Clerk within twenty days after filing of the affidavit. Said petition before being returned and filed shall be signed by twenty percent of the qualified voters and to every signature shall be added the place of residence of the signer, giving the street and number. The said recall petition shall be submitted to the Town Clerk by three o'clock P.M. on the Friday preceding the day which it must be filed, to the registrars of voters in said town, and the registrars shall forthwith certify thereon the number of signatures which are names of voters of said town.

SECTION 3. If the petition shall be found and certified by said Town Clerk to be sufficient, he shall submit the name with his certificate to said Selectmen without delay and said selectmen shall forthwith give written notice to said officer of the receipt of said certificate and shall, if the officer sought to be recalled does not resign within five days thereafter, thereupon order an election to be held on a date fixed by them, not less than sixty days and not more than seventy days after the date of the Town Clerk's certificate that a sufficient petition is filed; provided, however, that if any other town election is to occur within sixty days after the date of said certificate, said Selectmen may, in their discretion, postpone the holding of said recall election to the date of such other election. If a vacancy occurs in said office after a recall election has been so ordered, the election shall nevertheless proceed as in this section provided.

SECTION 4. Any officer sought to be recalled may be a candidate to succeed himself and, unless he requests otherwise in writing, the Town Clerk shall place his name on the ballot without nomination. The nomination of other candidates, the publication of the warrant for the recall election, and the conduct of the same, shall all be in accordance with the provisions of law relating to elections unless otherwise provided by this Act.

SECTION 5. The incumbent shall continue to perform the duties of his office until the recall election. If then reelected, he shall continue in the office for the remainder of his unexpired term, subject to recall as before, except as provided in this Act. If not reelected in the recall election, he shall be deemed removed upon the qualification of his successor, who shall hold office during the unexpired term. If the successor fails to qualify within five days after receiving notification of his election, the incumbent shall thereupon be deemed removed and the office vacant.

SECTION 6. Ballots used in a recall election shall submit the following propositions in the order indicated: For the recall of (name of officer). Against the recall of (name of officer). Immediately

at the right of each proposition, there shall be a square in which the voter, by making a cross mark (X), may vote for either of the said propositions. Under the proposition shall appear the word "Candidates", the directions to voters required by Section forty-two of Chapter fifty-four of the General Laws, beneath this the names of candidates nominated as herein before provided. If a majority of the votes cast upon the question of recall is in the affirmative, the candidate receiving the highest number of votes shall be declared elected; provided that at least twenty-five percent of those entitled to vote shall have voted. If a majority of votes on the question is in the negative, the ballot for candidates need not be counted.

SECTION 7. No recall petition shall be filed against an officer within six months after he takes office, nor, in the case of an officer subject to a recall election and not recalled thereby, until at least six months after the election at which his recall was submitted to the voters. No person who has been removed from an office or who has resigned from office while recall proceeding against him, shall be appointed to any town office within two years after such removal or such resignation.

APRIL 25, 1989
PUBLIC HEARING REPORT
AMENDMENT TO ZONING BY-LAW — IB TO RC
HOWARD STREET LAND OF MARK S. ROBINSON

The public hearing opened at 8:35 P.M. with three members, the Town Engineer and the Town Planner present. Mr. Tessicini and Mr. Parente were absent. One interested party, being the property owner, was present. The Clerk read the public hearing notice.

The subject land is presently zoned Industrial B and has approximately 4.6 acres. The property is located off of Howard Street, a narrow road which is essentially dead-end as it turns into little more than a cart path shortly beyond the subject property. Howard Street travels through a residentially zoned and utilized area prior to the subject site. The area is not served by public sewer.

The Town Planner recommended approval.

At 8:45 P.M. John Cook motioned to close the public hearing and transmit FAVORABLE RECOMMENDATION to the Town Meeting, seconded by Seena Heller. Unanimous vote of the three members present.

IT WAS MOVED: That the Town rezone to Rural Residential (RC) that property presently zoned Highway Industrial (IB) located on the southerly side of Howard Street bounded and described as follows:

The following report was presented by a member of the Planning Board.

MARCH 7, 1989
PUBLIC HEARING REPORT
AMENDMENT TO ZONING BY-LAW — RB TO IB ON CEDAR STREET —
LAND OF HOWARD FAFARD

The public hearing opened at 8:15 P.M. Four members of the Planning Board were present. Mr. Parente was absent. The Town Engineer and the Town Planner were present. No interested parties attended the public hearing.

Janice Harnert presented the proposal on behalf of the owner.

The property is presently split zoned, with 6% of the lot zoned RB (Residential) and 94% zoned IB (Industrial). Only 14,000 square feet comprises the RB section, which would require 15,000 square feet as a buildable house lot. All surrounding land is zoned for industrial use.

At 8:20 P.M. Mr. Tessicini moved to close the public hearing and transmit a FAVORABLE RECOMMENDATION to the Town Meeting, seconded by Mr. Griffith. Unanimous vote of four.

IT WAS MOVED: That the Town rezone to Highway Industrial "B" that property presently zoned Single Family Residential "B", being a portion of property owned by Howard A. Fafard bounded and described as follows:

Beginning at a point on the easterly side of Cedar Street at the southwesterly corner of the parcel to be rezoned and the northwesterly corner of land of the Mass. Interscholastic Athletic Assoc., said point being 1285 feet, more or less, southerly of Fortune Boulevard along said easterly side of Cedar Street,

THENCE N. $02^{\circ} 14' 03''$ W., a distance of 162.99 feet to a stone bound found at a point of curvature;

THENCE northwesterly and curving to the left along the arc of a curve having a radius of 280.00 feet and a length of 117.00 feet to a point of tangency;

THENCE N. $26^{\circ} 10' 35''$ W., a distance of 29.38 feet to a point on the existing Single Family Residential "B" and Highway Industrial "B" zone line, the previous three (3) courses by said easterly side of Cedar Street;

THENCE S. $29^{\circ} 35' 47''$ E., a distance of 353.59 feet by said existing zone line and crossing land of Howard A. Fafard to a point on the property line between said land of Howard A. Fafard and said land of the Mass. Interscholastic Athletic Assoc.;
